

TRAGEDY AT PURDUE GAME

Eleven Rescued Airmen Back In United States

Americans Forced Down In
Arctic Are Rescued By
Youthful Pilot

ALL OF MEN IN
GOOD CONDITION

WESTOVER FIELD,
Mass., Feb. 25.—(INS)—The
army plane which rescued 11
American airmen from the
Greenland ice cap yesterday
arrived back in the United
States at 7:53 a. m. (EST)
today.

The ship, piloted by 22-year-old
Lieut. Bobbie Joe Cavnar made a
perfect three-point landing at West-
over Field.

Ambulances met the plane to
transport the rescued airmen to
the hospital for examination.
The plane battle headwinds in
its flight from Greenland but made
the trip in fourteen hours and 53
minutes.

Rescue of the 11 members of a
B-29 which had crashed in the
Arctic waste Friday after losing its
course and running out of gasoline
in a storm was accomplished by
Lieut. Cavnar and his crew in three
hours and thirty-five minutes.

Lands Near Wrecked Plane
Lieut. Cavnar who has been flying
with the air transport com-
mand since 1945 and is considered a
veteran Arctic pilot, landed the
transport near the stranded
bomber. He landed with his wheels
down and without special equip-
ment.

All the stranded men were found
to be in good condition and boarded
the transport for the trip back to
Thule, 200 miles away.

Lieut. Cavnar stripped the trans-
port of all unnecessary weight and
with the help of four rockets under
the wings took off.

The landing at Thule was un-
eventful and after a few hours rest
Lieut. Cavnar started back for his
home base at Westover Field, with
all of the rescued men aboard.

Major General William H. Turner,
commanding general of the Atlantic
division of the A. T. C., said Lieut.
Cavnar had been recommended for
the distinguished flying cross with
oak leaf cluster for the rescue and
for other hazardous Arctic opera-
tions.

The wrecked B-29 bomber named
the Kees Bird had been on a photo-
graphic mission when it was forced
to make the crash landing.

PA NEW OBSERVES

Cheer up, next Saturday is the
first of March!

Snow shovelling got a new im-
petus this morning, result of last
night's snowfall, and tendency to
drift.

Menus in a lot of homes in New
Castle got a last minute shift Mon-
day evening, due to the low gas
pressure that existed at the time.

Having in mind the present short-
age of gas, our minds go back 25 to
30 years ago to a similar condition
in the winter here. Folks depend-
ing for cooking upon gas stoves re-
sorted to various methods. One was
getting a nice clear bed of coals in
the furnace, putting kettles or pans
on a shovel, thrusting it into the
furnace door, upon the fire.

Pa Newsc observed school boys tak-
ing part in a dangerous sport at
the corner of Euclid and Albert
avenue last evening. They were
clinging to bumpers of cars and
sliding along behind the automo-
biles in a stooped position until the
autos began to travel too fast, or
they lost their hold and fell. A
splendid way to end up in a hos-
pital or morgue.

Sleek new cars about the city may
possess the ultimate in heaters, but
the occupants warm, but Pa
Newsc noticed the driver of a horse

Shortage Of Gas Monday, Result Of Main Break

Break in a gas supply line for this
district, in West Virginia, yesterday,
was responsible for the shortage of
gas in New Castle and vicinity on
Monday afternoon and evening, ac-
cording to officials of the Manu-
facturers Light and Heat Company.

In many homes, the supply was
entirely cut off, while in most other
homes in the city it was very meagre
for several hours. Restaurants,
theatres, and other public places
were also affected and some of them
closed last night.

North of New Castle, the supply
line was completely without gas
Monday afternoon, due to the break,
and in the city the supply reached
its lowest level last night.

Officials of the gas company here,
said this morning that the break
had been temporarily repaired, and
pressure was up again, with the sup-
ply for homes nearing normal. The
supply is still critical, however, and
the time is indefinite when normal
use can be restored to all large
quantity gas users, it was stated.

New Wilmington Without Gas On Monday Afternoon

Break In Line In Mercer County
Cuts Off Gas To Town
And College

NEW WILMINGTON, Feb. 25.—
Due to a break somewhere on the
main gas line of the Grove City
company that supplies gas to New
Wilmington, the borough was with-
out gas for several hours on Mon-
day afternoon.

Not only the town, but Westmin-
ster college was also affected by the
lack of gas. Cooking dinner in the
college dormitories on Monday
afternoon was impossible, so that
cold suppers had to be served.

In the barracks and veterans dor-
mitories, which are heated by gas,
the worst handicaps were experi-
enced. In the veterans dormitories
occupied by families, most of the
women and children moved into
some of the large college dormi-
tories for the afternoon, which are
heated by coal.

Some gas was available around 9
o'clock last night, and conditions
are approaching normal today.

Stores and many homes in New
Wilmington were also seriously
handicapped during the afternoon,
due to the lack of gas.

Admiral Byrd Leaves Message

NEW YORK, Feb. 25.—(INS)—A
note of "welcome" to any future
visitor to the Antarctic lies at the
camp of Admiral Richard E. Byrd
today.

Byrd, taking leave of his quarters
in the polar wastes when the cen-
tral wing of the expedition broke
camp and headed for home, hung
up this note in a conspicuous place:
"This has been a peaceful place.
It deserves better than to be van-
dalized, otherwise, welcome."

Bob Reuben, NBC reporter with
the expedition, relayed the contents
of the note to New York.

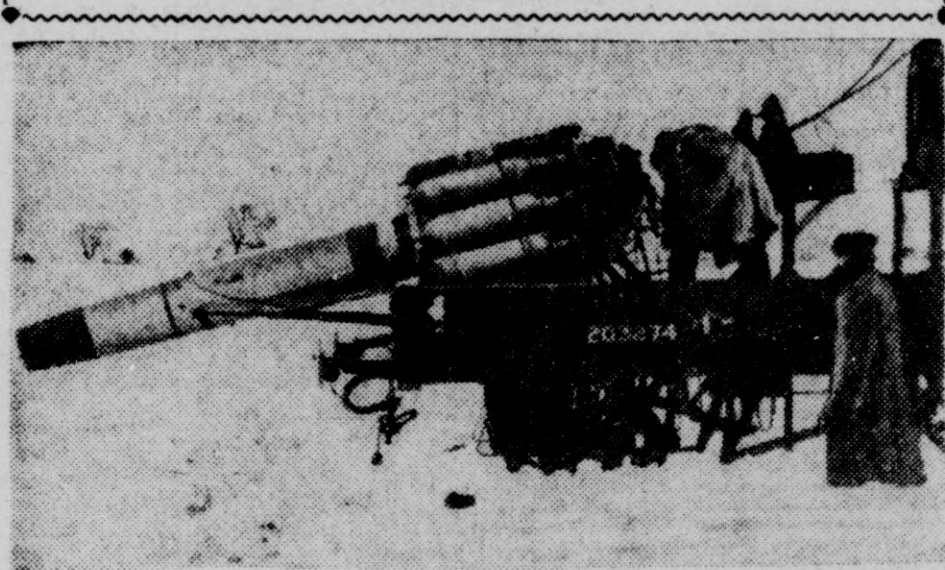

Webb And Goodrich On County Board

HARRISBURG, Feb. 25.—(INS)—
A. A. Webb, of New Castle, and B.
P. Goodrich, of Ellwood City, today
had the senate's confirmation as
members of the Lawrence County
Board of Assistance.

They were appointed by Gov.
James H. Duff to serve until Decem-
ber 31, 1948. Webb succeeds Ivor
M. Richards while Goodrich moved
into the post held by Ray B. Johns-
on.

Webb resides at 430 Park avenue.

Jet Engines Blast British Snow

Russia Approves U.S. Taking Over Pacific Islands

WASHINGTON, Feb. 25.—Secre-
tary of State Marshall today dis-
closed full Russian approval of the
United States request to take over
the former Japanese mandated is-
lands in the Pacific.

The secretary told a news con-
ference that a brief note just ar-
rived from Moscow which said the
Soviet government felt it was en-
tirely fair to transfer these islands
to United States trusteeship.

Russia took into account the fact
that American forces played the
dominant role in winning the Pacific
war and made incomparably greater
sacrifices than any other nation.

Earlier, Moscow suggested that
the trusteeship question be deferred
until the Japanese peace treaty
had been signed. Today's note made
no mention of the time element.

Other highlights in Marshall's
news conference were:

Bevin Blames U. S. For Failure Of Negotiations

LONDON, Feb. 25.—British For-
eign Secretary Ernest Bevin today
blamed American Jewry and United
States electioneering for breakdown
of Arab-Jewish negotiations for a
settlement of the Palestine prob-
lem.

In a sensational statement open-
ing debate in the house of com-
mons on Britain's decision to refer
the Palestine issue to the United
Nations general assembly, Bevin
charged:

1.—The President Truman's state-
ment urging immediate admission
of 100,000 European Jews into Pale-
stine stemmed from "election rival-
ries."

2.—Former Bevin pleaded with the
secretary of state James P. Byrnes
to have this statement with-
held.

3.—That he was told Gov. Thomas
E. Dewey of New York would sue
a "competitive statement" if the
presidential declaration were with-
held.

4.—That the Jewish agency, "large-
ly dominated from New York," had
refused to join in the conversations
and thus brought about the col-
lapse.

"Until I have had consultations
I am making no statement on future
movement, nor can I communicate
on present conditions in Poland."

Hoover To Give Report Thursday

WASHINGTON, Feb. 25.—(INS)—
Herbert Hoover will report to Presi-
dent Truman Thursday on his
special mission to the American oc-
cupied zones in Europe.

The former president undertook a
special study of the food and econ-
omic problems in the American oc-
cupied zone and returned to this
country Sunday.

Clash In Parliament Over Nationalization

By CHARLES A. SMITH
(U. S. Staff Correspondent)

LONDON, Feb. 25.—Conserva-
tive and Laborite members of Par-
liament clashed sharply today when
the 61-clause electricity nationaliza-
tion bill came up for an ailing be-
fore the standing committee in the
midst of Britain's worst fuel crisis
for decades.

MP Walter Elliott, Laborite,
moved that the committee adjourn
for the time being in view of the
current fuel situation.

His suggestion was voted down
24-16.

Not In Public Interest
Elliott claimed that it was not
in public interest at the moment to

consider detaching electricity plants
from their immediate work of sup-
plying power and fuel to thousands
of homes and industries.

Fuel Minister Emanuel Shinwell
said the "opposition is entitled to
have a little fun at the outset of
the proceedings," but the opposition
snapped backed rapidly that "it's
not funny."

Shinwell then insisted that the
committee proceed with its work.
As the fuel crisis eased up some-
what, weather forecasters held out
hope of a change in temperature
before long.

They said the warm weather pre-
valing 500 miles out over the At-

Deputies Agree On Peace Treaty Draft For Austria

LONDON, Feb. 25.—(INS)—The
big four foreign ministers' deputies
agreed today on the Austrian peace
treaty draft providing for its in-
dependence.

The draft now goes to the council
of foreign ministers for final draft-
ing and presentation at the Moscow
conference, which opens March 10.

The deputies "agreed to disagree"
on many points, including disposi-
tion of German assets in Austria;
Yugoslav claims to part of Carin-
thia, with the Russians and the
western powers opposed on most
controversial points.

Earlier, the deputies had sent
back to the treaty committee the
original draft of the German peace
pact with orders that it be given
sweeping revision.

Byrnes May Be Ambassador To Great Britain

WASHINGTON, Feb. 25.—(INS)—
The possibility increased today
that former secretary of state James
F. Byrnes will be offered the post of
ambassador to Great Britain.

The White House declined to deny
reports that Mr. Byrnes would be
asked to take the assignment—which
was left vacant by the sudden
death of O. Max Gardner.

Asked about such reports this
morning, White House Secretary
G. Ross replied:
"No comment."

Ross was reminded that Mr.
Byrnes as he left the White
House yesterday afternoon after a
conference with President Truman
that he had not been offered the
post in his discussion with the presi-
dent.

Ross was then asked:
"Are you leaving the door open
for such an appointment?"
He again replied:
"No comment."

Previously the White House em-
phatically denied reports on the
appointment of others to the im-
portant London diplomatic job.

House Approves Measure Changing Date Of Primary

HARRISBURG, Feb. 25.—(INS)—
The legislation switching the pri-
mary election date in odd numbered
years from June to September was
passed today by the General As-
sembly.

By a vote of 192-12 the House ap-
proved six measures changing the
primary date this year from June 17
to September 9.

The primary election date changed
by the assembly during a special
session in 1944 to facilitate soldier
voting.

Five Youths Face Serious Charges

CARLISLE, Pa., Feb. 25.—(INS)—
Five teen-age youths were in Cum-
berland county jail at Carlisle in
default of \$1500 bail each awaiting
grand jury action for allegedly robb-
ing and attempting to assault a
former WAC.

State police said the youths, all of
nearby Camp Hill, dragged the
woman into an automobile in down-
town Harrisburg and drove to a
lonely road near Summerdale 11
days ago.

Justice of the Peace William
Dosh committed the youths to jail
following hearings for grand jury
action on charges of assault with
intent to ravish and robbery. They
pleaded guilty to the charges, police
said.

Five Children Killed In Crash

TOLEDO, Feb. 25.—(INS)—Five
children were fatally injured today
and a man critically hurt in an
auto-truck collision on the Wood-
ville road near Genoa Ottawa coun-
ty.

The victims were identified as
Charles Olcott, 15; James Niehouse-
meyer, 12; and Daniel Dunn, 10, all
of Genoa; Jerry Anderson, 8, of
Woodville and Sandra K. Wiley, 5,
of Elmore.

Claire Dunn, physical director and
assistant football coach at Waite
high school in Toledo, was critically
injured.

Admittance Of Refugees Will Be Considered

WASHINGTON, Feb. 2.—(INS)—
Rep. Fellows (R) Maine, disclosed
today that hearings will open early
next month on legislation to permit
the admission into the United States
of thousands of homeless European
refugees.

Fellows is chairman of the house
judiciary subcommittee on immi-
gration which, he stated, will begin
taking testimony "in two or three
weeks."

Fellows declared in an interview
that "the question of whether the
immigration laws should be libera-
lized will be thoroughly threshed
out."

The congressman added that "we
want the facts, all of them" and
promised a definite decision soon
"one way or the other" on President
Truman's request to congress that
an increased number of displaced
persons be permitted to enter the
country.

Fellows refused to hazard a pre-
dication on what action his group
would take.

He said several organizations in-
terested in the subject had asked
that the hearings be delayed for
several weeks to permit them to line
up prominent witnesses who would
testify.

Brands Britain's Action On India As 'Surrender'

By THOMAS C. WATSON
(U. S. Staff Correspondent)

LONDON, Feb. 25.—Britain's de-
cision to withdraw from India by
June 1948 was branded today in the
House of Lords as "unconditional
surrender."

As debate on the Indian situa-
tion was opened in the chamber of
peers, Lord Templewood charged
the evacuation decision was "likely
to imperil the peace and prosperity
of India."

The House of Commons also took
up the Indian problem. Prime
Minister Clement R. Attlee made it
clear that Britain will definitely
wash its hands of the huge sub-
continent unless the Indians de-
cide to remain within the British
commonwealth.

Questioned as to who would as-
sume responsibility for the security
of India against external aggres-
sion after June 1948, the prime
minister replied that it would be
India's responsibility—unless it stays
within the empire.

Attlee added:
"But, if India decides to leave the
commonwealth, her future will be
a matter of great interest to his
majesty's government."

Two Killed In Stand Collapse At Purdue Game

More Than 200 Others In-

Basketball Game

GRANDSTAND FALLS
WITH 3,400 PERSONS

(BULLETIN)

LAFAYETTE, Ind., Feb. 25.
(INS)—A triple investigation
was ordered today into the col-
lapse of a spectator-jammed
wooden bleachers at the Purdue
university fieldhouse which left
two students dead and more
than 200 others injured.

The recently constructed stands
gave way with a sickening, splinter-
ing sound last night when the stu-
dent throng rose to cheer Purdue's
team as it left the floor at half-
time of an important big nine game
with Wisconsin.

Two young men were crushed to
death. They were:
Roger Gelhausen, of Garrett, Ind.,
a Purdue freshman and navy veter-
an; and W. J. Feldman of East
Chicago, Ind., a junior student and
an ex-warrant officer in the mer-
chant marine.

Authorities at two Lafayette hos-
pitals said more than 200 students
required hospital treatment, with
five or six still described an critical.
About 100 persons were "stretcher
cases," suffering broken arms, legs,
or other fractures.

The disaster occurred in a bedlam
of cheering and yelling. About sev-
onds after the sun ended the half
with the underdog Purdue team
ahead of league-leading Wisconsin.
34-33.

The mass of spectators in the
east stand suddenly pitched forward
and down from heights of up to 30
feet, row falling upon row, while
the rest of the 10,500 fans looked
on as shocked, unbelieving witnesses.

Many students were pitched for-
ward onto the playing floor. Others
fell beneath the weight of falling
partitions and bodies to the dirt
floor beneath the stands.

Players heading for their dressing
rooms stopped and rushed to help
extricate the stricken victims.
The game was immediately called

Enrollment In State Colleges At Record High

Report 109,500 In Universities, Colleges; Expect Peak To Be Reached In 1949

HARRISBURG, Feb. 25.—(INS)—A Department of Public Instruction report released today disclosed 109,500 students were registered in Pennsylvania college and universities out predicted peak enrollment would not be reached until 1949.

Superintendent Francis B. Haas said colleges "have absorbed 34,500 on their campuses beyond what they originally considered to be the absolute maximum of 75,000."

Haas claimed that Pennsylvania's area college center program "has provided an opportunity for every veteran or non-veteran seeking a college education to secure college enrollment."

He said 2000 students were at three schools in Philadelphia, 700 in the Pittsburgh area, 600 at Harrisburg and 200 in Bethlehem.

Dr. Robert M. Steele, president of California State Teachers' College and area college coordinator, said in a report to Haas that the peak enrollment would not be reached until 1949 "and then will commence to level off."

Higher Level

"When the leveling off takes place it will be at a higher level than ever before in history because of the war-born increased demand for higher education," Steele said.

"Many colleges, in order to absorb this increase in students, brought about by the war effort, have resorted to innumerable expedients in order to put their students on the campus and hold them down, to the irreducible minimum, the number who necessarily had to go to off-campus area college centers," Haas added.

"This spirit of cooperation has made possible an unprecedented degree of success for the entire program since it was originally expected that a bulk of the new students, of whom 80 per cent are veterans, would have to be taken care of in the area college centers, off campus," he said.

Steele reported the area college program was nearly self-supporting and that former servicemen received the \$300-a-year tuition fees from the veterans administration.

He reported that new branch colleges would be established "as the need arises beyond the now known total absorption possibilities of Pennsylvania's colleges and universities."

SECOND DAY OF TEACHERS' STRIKE IN BUFFALO, N. Y.

(Continued from Page One)

have abandoned their jobs by walking out on strike and that they may be dismissed summarily without hearings.

It was estimated that only 534 of the city's 3,968 teachers were at their desks yesterday.

Strike to Continue

Raymond J. Ast, president of the Buffalo Teachers' Federation said the strike would continue if necessary for "two, three, four or more weeks." He predicted more teachers would join the strike today. He said:

"We want some assurance from a responsible official of a salary schedule of from \$2,400 to \$4,000 a year before we go back to work."

Buffalo teachers now are paid \$1,775 to \$2,575 for elementary teachers and \$2,175 to \$2,975 for high school teachers.

Meanwhile the pupils, especially in the two high schools that remained open, were having a field day.

New Situation

Frank R. Dett, principal of Lafayette High school called the students to the assembly hall and told them:

"There probably has never been a situation like this before in the history of the United States."

He then told the students that the school was closing for the day but would be open today for those who wanted instruction. He said that no one need come to school unless they wished.

The situation was made more dramatic by a blizzard with fifty-mile winds sweeping the city.

Teachers posted "observers" at the schools but made no attempt to establish picket lines.

ALBANY, N. Y., Feb. 25.—(INS)—State officials, from Gov. Thomas E. Dewey down, remained silent today in the face of a continuing Buffalo teachers' strike which has demoralized the public school system of the state's second largest city.

Although the legislature, gravely concerned about the teachers' pay problem, is in full session, not a word has been uttered in either house about the strike.

CONTINUE RAIDS ON NAZI UNDERGROUND

(Continued from Page One)

there were hints that they were taking no chances on slipping up if Martin Bormann, Hitler's "missing" deputy should be netted.

An army spokesman in the British zone, commenting on the huge operation in which thousands of GIs and Tommies participated, said he thought it strange that some people should have been surprised to learn of a subversive movement in Germany.

To the contrary, he said, he would have been more surprised if there had been no such movement.

(The London Daily Express, in a Herford dispatch, quoted British intelligence officers as warning that more Nazi plots must be expected in Germany. They were said to have stated that the next movement probably will be more dangerous than the one just smashed.)

Student Nurses Graduate Tonight

Ceremonies At 8 O'Clock In Ben Franklin High School For Fourteen Students

Graduation exercises for 14 student nurses of the New Castle Hospital School of Nursing, will be held this evening at 8 o'clock, in the Ben Franklin Junior high school.

Adolph Green, president of the board of trustees, New Castle hospital will present the diplomas and John J. Maher, chairman of the School of Nursing Council will preside.

Speakers on the program will be Rev. Fr. Albert M. Inteso, and Dr. Nathan N. Ginsburg.

This morning in the New Castle Hospital chapel, a mass of thanksgiving was offered for the graduating students. They attended in a body.

Rev. Fr. Edward Boley, chaplain of the hospital, was celebrant. In his brief message afterwards, Father Boley offered petitions for future success and happiness of the students. He said in part: "You will be admired by all, especially by the sick you served in the past, and by the sick, whose services will be needed in the future. To the sick, the nurse is the most cherished of friends." He closed with the prayers of gratitude, and urged the students to a high goal in a noble profession.

off and within a matter of seconds the public address system was booming directions to aid the injured and prevent panic in other parts of the fieldhouse.

Scores Slightly Hurt

Radio broadcasts brought doctors and ambulances rushing to the scene, and the more seriously injured were taken to St. Elizabeth's and Home hospitals in Lafayette, where cots were set up in hallways to accommodate the influx of injured.

Scores who were only slightly injured received first aid on the scene and were helped away by friends.

Many of the victims were laid on the basketball floor and covered with coats and sweaters while awaiting attention.

The stands had been constructed last fall to increase the fieldhouse capacity 10,000 from 8,000.

President Frederick Hoyde of Purdue University ordered the fieldhouse closed pending an investigation. In a statement, Hoyde declared:

"The fieldhouse has been closed until a careful investigation of the cause of the failure of the stands can be determined."

"Those newly purchased stands were not, according to members of the athletic department, loaded beyond their rated capacity as specified by the manufacturers and approved by the appropriate state officers."

SECURITY COUNCIL TO HEAR NATIONS

Kingdom, and Syria have commented so far on the Russian proposals, which Soviet Representative Andrei Gromyko clarified somewhat at the last session.

A spokesman for the United States delegation indicated that Warren R. Austin, chief American representative, had tentatively decided to sit back and let the others make known their views before committing himself.

Other sources indicated that if the Security Council proceeded suddenly to a vote to refer the entire matter of atomic energy back to the atomic energy commission, the United States would not be reluctant in joining such a move.

Reception Follows College Recital Of Charles Sager

Westminster Singers Entertain For Charles I. Sager In Ferguson Hall

On Monday evening the recital of Charles I. Sager, baritone, and professor of voice at Westminster college, in the college chapel was followed by a reception given in Ferguson hall by the Westminster Singers.

Mr. Sager's recital was composed of several groups of selections of a varied nature, some classical, some semi-classical and some modern. He was accompanied at the piano by Mrs. Ruth Thompson Evans.

For the reception afterwards in Ferguson hall lounge, William L. McClelland, president of the Westminster Singers, was in charge, assisted by Miss Jeanne Myers.

At a beautifully appointed tea table, Mrs. W. J. Harper, McClelland presided and Mrs. Lester McClelland and Miss Susan Scurr were aides.

Seeds Of New War Seen In Palestine

LONDON, Feb. 25.—(INS)—British Foreign Secretary Ernest Bevin warned today that the seeds of a new war lie in Palestine and stressed Britain's wish for the Holy Land's eventual independence.

Opening debate on Britain's decision to turn the Palestine issue over to the United Nations General Assembly in September, Bevin intimated one situation must be settled. He added:

"Otherwise it might start us on a road that might lead in another quarter of a century to another war."

lantic may head toward the beleaguered island where bitter cold, a shortage of fuel and a forced shutdown of factories have been the rule for the past two weeks.

Five Week's Cold Wave

Sunshine and rising temperatures also heightened the British populace suffering from the effects of a five week cold wave.

But last night's weather was as bad as the previous night. The mercury dropped to nine below zero at Bittswell in Leicestershire, and one below at Abingdon, near Oxford.

In the London area, the reading was 23 above—two degrees higher than yesterday.

Fog over the Thames estuary delayed the arrival of colliers during the early hours but the ships moved into port as the thick weather lifted.

The threat of a severe food shortage in the near future caused the British government increasing concern today as the nation's fuel crisis abated despite freezing temperatures.

So ominous is the possibility that yesterday's cabinet meeting gave detailed attention to the whole problem.

PIN-WORM MYSTERY ENDED

Pin-Worms have been causing trouble for centuries, and millions of victims have desperately sought a way to deal with this pest that lives inside the human body.

Science has at last solved the problem! It is now also known that Pin-Worm infection spreads rapidly and can cause real distress if neglected. So beware of that aggravating rectal itch, and act fast. Ask your druggist for JAYME'S P-W at the first sign of Pin-Worms. P-W is a medical sound treatment based on an officially approved drug principle. The easy-to-take P-W tablets act in a special way to remove Pin-Worms easily and safely.

It's easy to remember: P-W for Pin-Worms!

FAITH

SUPPLY AND DEMAND

A few years ago, we burned the cotton and destroyed the little pigs because we thought the Lord didn't know his business and had given us too many. We said at that time that some day we would pay for this and wish we had them.

I believe that is just what we did. The same situation is facing us today. May we remember the former lesson. There are millions of bushels of potatoes in this country, and they are destroying a lot of them, and at the same time people pay twice what potatoes should be, because the powers that be, seem to think they know better how to run things than the One who makes it possible for us to have the potatoes.

LUNCHEON MONDAY FOR JUNIOR GUILD

Mrs. Charles H. Johnson, Jr., 905
Highland avenue, entertained mem-
bers of the Junior Guild of Jame-
son Memorial hospital at a lovely
luncheon Monday afternoon on the
occasion of the guild's February
social and business meeting.

Luncheon was served at 1 o'clock
to 70 guests from a table strikingly
decorated with a luncheon cloth
in two contrasting tones of blue. At
either end were antique blue glass
vases containing clusters of pale
pink carnations and bachelor but-
tons. In the center a pair of lovely
pink porcelain caskets encircled with
pink porcelain flowers were flanked
by lighted candles in branched sil-
ver candelabra.

Mr. J. J. McIlvaine presided at
the luncheon table. Guests were
served buffet style in groups with
the following committee as aides to
the hostess, Mrs. W. W. Horner:
Mrs. Leland W. Hamilton, Mrs. W.
Russell Allen, Mrs. Paul H. Wilson,
Mrs. Herbert Kirk, Mrs. Lauren H.
Thayer, Mrs. Earl McKissock, Mrs.
Edward Wish, Mrs. Albert Knecht
and Mrs. Thomas Lamoree.

The highly enjoyable highlight of
the afternoon was a review by Mrs.
McIlvaine of three plays currently
running on the Broadway stage, a
revival of "Cyrano de Bergerac,"
"Street Scene" revived with music
and acclaimed by some critics, the
speaker said, as the first American
Opera, and "Joan of Lorraine," now
starring Ingrid Bergman. Mrs. Mc-
Ilvaine's comments were received
with much interest by the group.
She was introduced by Mrs. Thomas
J. Kelly, Jr., president of the guild.

During business a number of re-
ports were given including an ad-
vance report on a guild project
scheduled for March 18.

Because there is so much sev-
ing to be accomplished, members
were urged to attend Thursday
sewing at the hospital by Mrs. William Wallace of the
sewing committee. The guild sews
every Thursday from 10 a. m. to 3
p. m. in the hospital solarium.

UNION HIGH '26-'27 ALUMNI ENTERTAINED

Union High Alumni of '26-'27 were
entertained Saturday evening in the
home of Mr. and Mrs. James Te-
ney, Wampum. Three tables of cards
were in play with prizes awarded
to Mr. Nels Nelson, Mrs. Clara
Hochler, Ed Carr, and John Hen-
ley. Mrs. George Hudson received
a special award.

From Lieut. Isabel Wallace, U. S.
N. R. N. C., a member who is sta-
tioned on Guam, the class received
a gift package. Glenn Davis, of
Wampum, was a special guest.

In serving refreshments at the
close of the evening, the hostess was
assisted by Mrs. Hudson.
Next meeting will be Saturday,
March 29, in the home of Mr. and
Mrs. Milton Pattison, Coates lane.

Silver Needle Club

Mrs. Samuel Audin, of Croton
avenue, will receive the Silver
Needle club in her home Thursday
evening, March 6.

Mrs. Michael Manto, of Home
street, entertained at the group's
last assembly, when Miss Peggy
DeEullo and Mrs. Albert DeEullo
were remembered with birthday
gifts by their secret sisters. Mrs.
Raymond Hardester was awarded
the club token.

Mrs. Joseph Bloise was an aide
in serving a tasty repast.

SALLY McMULLEN TO BE MARCI 7 BRIDE

Miss Sally Ann McMullen, daugh-
ter of Willis G. McMullen, of 710
Cumberland avenue, has revealed
plans for her wedding on Friday,
March 7, to Donald C. McGrew, son
of Mr. and Mrs. William C. Mc-
Grew, of McClelland avenue.

The wedding will be solemnized
at an informal open church cere-
mony at 7:30 o'clock in the eve-
ning in the Second U. P. church.

Miss McMullen will have her
sister, Mrs. Richard Pugh, of Mc-
Keesport, as her matron of honor
and Mr. McGrew has asked his
brother, Frank W. McGrew, of Tar-
entum, to be his best man.

A small reception at the church
will follow the ceremony.

There will be several showers
for the bride-elect during the com-
ing week. On Wednesday evening
Miss Shirley Turner will entertain
for her and on Friday she will be
the guest of honor at a shower to be
given by the Misses Evelyn Wood-
worth and Catherine Kelly.

WEDDING DINNER ON ANNIVERSARY

Mr. and Mrs. Benjamin H. Stein-
brink were feted Saturday evening
when their daughter, Mrs. Carl
Klingensmith, entertained at a fam-
ily dinner in her home, 1209 Cun-
ningham avenue. The event marked
the forty-seventh wedding anni-
versary of the honored couple.

Red and white carnations com-
bined with blue iris decorated the
tastefully appointed table that was
centered with a wedding cake. Places
were set for 14 guests. Miss
Hazel Steinbrink was an aide to her
sister.

Out-of-town guests included Mr.
and Mrs. W. H. Steinbrink and
sons, Donald and Earl, of Gates
Mills, O.

The former Miss Elizabeth Burton
was united in marriage to B. H.
Steinbrink February 22, 1900, in
Youngstown, O.

Mr. and Mrs. Steinbrink, of 1119
Cunningham avenue, have four
children, Mrs. Carl Klingensmith,
Miss Hazel Steinbrink, W. H.
Steinbrink, of Gates Mills, O., and
Frank Steinbrink, of Carle street,
this city, and five grandchildren.

McGILL SOCIETY DINNER-ELECTION

SISTERS WED AT DOUBLE CEREMONY

At a quiet double wedding cere-
mony performed in the study of
the Third U. P. church, Miss Sara
K. Lewis and her stepsister, Miss
Mary Maxine Book, daughters of
Mr. and Mrs. Ivor Lewis, of 319 1/2
East Wallace avenue, were married
Monday evening at 7 o'clock. Miss
Lewis became the bride of Carl L.
Hammond, son of Mr. and Mrs.
Harvey Hammond, of R. D. 5, and
Miss Book was married to James
E. Yost, son of Mrs. Joseph Yost,
of 429 County Line street.

Dr. J. Paul Graham officiated
for the two couples who served as
each other's attendants.

Miss Lewis wore a gray flannel
suit with black accessories and a
shoulder corsage. Miss Book's dress
was aqua crepe complemented by
brown accessories and a shoulder
corsage.

Dispensing with a wedding trip,
Mr. and Mrs. Hammond have taken
up residence at R. D. 5. Mrs. Ham-
mond, a graduate of New Castle
high school, is an operator for the
Bell Telephone company. Mr. Ham-
mond, who served with the army for
three years, including duty in the
ETO, is employed at the National
Radiator company.

Mr. and Mrs. Yost left on a wed-
ding trip to Canada and on their
return will be at home at 429 Coun-
tyline street. Mrs. Yost, who gra-
duated from New Castle high
school, is employed as an operator
for the Bell Telephone company.
Mr. Yost, who served with the army
force in the Pacific area during
World War II, is employed by the
Pennsylvania Railroad company.

CALIFORNIA WEDDING OF INTEREST HERE

Word has just arrived in this
city of the marriage in California,
of Treva Eugenia Breese, daugh-
ter of Mrs. Grace DeMason, of
Meadville, Pa., to William R.
Donnan, son of Mr. and Mrs. A. I.
Donnan, of San Jose, former resi-
dents of New Castle and New
Wilmingon.

The residence of Mr. and Mrs.
W. R. Ekstrand, 1545 Lupton ave-
nue, San Jose, was the scene of the
lovely wedding, which took place on
Sunday afternoon, February 16, at
3 o'clock. The beautiful double ring
ceremony was performed by Rev.
J. W. Farr, pastor of the First
Methodist church, San Jose.

Norma Donnan, a sister of the
groom, served as bridesmaid. Jack
Donnan served his brother as best
man. A. I. Donnan, father of the
groom, gave the bride away.

The groom is a veteran of World
War II and was engaged as a singer
before entering service. Prior to
leaving New Castle and New Wil-
mingon, the Donnan family resided
for some time in Meadville before
removing to San Jose.

ADELE STONER'S BETROTHAL TOLD

Mr. and Mrs. Lester K. Stoner of
Rose Point announce the engage-
ment of their daughter, Lois Adele
Stoner, to Harry Melvin Ruby, son
of Mr. and Mrs. Harry C. Ruby,
of 915 Almiria avenue, New Castle.

News of the engagement was re-
vealed at a party given Saturday
evening in the bride-elect's home by
her sister, Mrs. Ruth Stoner.

The evening was spent with party
games and contests and afterwards
a dainty lunch was served at a
prettily decorated table. The wed-
ding date and plans were revealed
by the cake that centered the table
and by cleverly concealed cards.

Out-of-town guests were the
Misses Doris and June Toomey of
Pittsburgh, cousins of the bride-
elect.

The engagement will terminate in
a home wedding on March 19 at
7:30 o'clock in the evening to be
followed by an open house reception
for neighbors and friends from 8:30
to 10:30.

Gas Shortage Idles 50,000

Workers In Tri-State Area
Out Of Work As 100 Per
Cent Slash Is Con-
tinued

PITTSBURGH, Feb. 25.—(INS)—An estimated 50,000 workers were idle today in western Pennsylvania, eastern Ohio and West Virginia as three natural gas companies continued their 100 per cent curtailment of supplies to more than 350 firms because of sub-freezing weather.

Gas companies reported the situation was the most critical this winter and supplies were being tapered off to other commercial establishments, including theaters, stores and public buildings.

The weather bureau offered little hope for an early end to the cold wave, predicting slightly warmer for today followed by continued cold.

A spokesman warned that similar situations might develop throughout the entire area to insure sufficient supplies for home heating.

Most seriously affected industrial user in the district was the Allegheny-Ludlum Steel Corporation where 6,000 workers were furloughed at two plants. The United States Steel Corporation laid off 4,700 workers in its subsidiary plants in the Pittsburgh district. Hundreds of other industries reported workers were furloughed as gas supplies were cut.

AGE FOR ADDING "MISS" TO
GIRL'S NAME

Question: At what age should a girl add "Miss" to her name?

Answer: Those mailing correspondence—greeting cards, invitations—to a girl no matter how young, usually give her the dignity of "Miss" but the title is not obligatory until she has reached sweet sixteen.

Question: Is it necessary to send notes of thanks for gifts to a newborn?

Answer: It is, indeed, necessary to write thank-you notes for all gifts not personally presented. So you must make written acknowledgment to all donors who sent you gifts. Although it is not obligatory to write your thanks to those you thanked personally, it is a gracious gesture.

Question: When an invitation does not specify "R. s. v. p." is it necessary to reply if I intend to accept?

Answer: It really should be unnecessary to insert "R. s. v. p." on any invitation, as we should readily accept or decline all invitations, especially those involving the service of food. Actually all invitations demand a reply except one to a church ceremony or to a tea. We either go to the tea or send our visiting cards. An invitation to a church ceremony requires no response whatever. If a reception invitation is included, it must be acknowledged and a gift must be sent.

Question: I have new, gray, embossed stationery. Is it correct to use this for replying to formal invitations?

Answer: Plain white letter paper should be used for acknowledging formal, engraved invitations, as well as for their replies. Colored letter paper is correct for all informal correspondence.

Present your problems to Miss Markel who will promptly mail personal replies to questions from readers inclosing stamped, self-addressed envelopes.

THE PARENT PROBLEM (Continued from Page Four)

ground at bringing up and keeping such matters under discussion. And when they find a "kindred spirit" in a guest, what happiness! Moreover, the host or hostess may have concrete evidence carefully preserved and tucked away for ready exhibit.

"Geney, please run up and bring down my gail stones," or "I think, Mary Lou, you can find my appendix in the bottle on my dresser." Then follows a long account of how these relics were acquired and how it was the worst case the surgeon ever had (a surgeon's trick, perhaps, to help his business) or that was ever in that hospital.

The nearer death's door the person was the more important the relic feels. Should the guests seem greatly interested, or possibly also have a similar sample in her handbag, Geney or Mary Lou may long for the time when she can relate something as wonderful and dramatic. We are concerned here with the ill effect upon the children who hear such morbid and silly twaddle.

Another evil pattern many children are exposed to at home is gossiping with guests. This reminds me of a certain bridge club of women I heard of some years ago (from reliable sources).

About the only topic of their conversation was some sort of gossip. This gossip did not omit any absent member of the club. Indeed, the desire not to be discussed unfavorably at the club was a strong motive for regular attendance. Yet the members of that club were far above average in education, the elite of the town. And some of them were mothers.

It would be wonderful if such clubs had a rigid rule: No gossiping. Think also of what it would mean to the personality and character of children if their parents never engaged in gossip especially in these children's presence.

THE WORLD AND THE MUD PUDDLES (Continued from Page Four)

central campaign will remember that one of Mr. Roosevelt's points of attack on the Hoover administration was "the multiplication of bureaus and commissions," which were condemned not only as an unnecessary drain on the taxpayers, but an obstacle to the functioning of constitutional government. In view of these repeated declarations by the Democratic nominee, it now appears somewhat satirical to note the accelerated "multiplication of agencies" and the quadrupling of the federal payrolls under the New Deal. Needless to say, this tremendous expansion of the employees' army was not due to any governmental necessity, but mostly to politics: three million six hundred thousand individuals feeding at the public trough, together with their families, relatives and friends, represent a lot of votes.

The fact that the present move to eliminate a million of the political sapsuckers originates in the house appropriations committee is ground for believing that the curtailment demanded by the Republicans for many years, actually will be accomplished. For the appropriations committee by refusing to provide payroll funds, can do a pretty good job of reducing. A saving of three and one-half billion dollars, even in these days of astronomical figures, will prove no petty achievement.

Administration Is Confident Lienthal To Be Confirmed

WASHINGTON, Feb. 25.—(INS)—Administration leaders were increasingly confident today of confirming David E. Lienthal as chairman of the atomic energy commission.

This confidence was expressed as members of the Senate atomic committee aimed at winding up hearings the week—despite a new clash of testimony over the so-called "Hart letter."

Sen. Hickenlooper (R) Ia., committee chairman, said he expects to close the hearing Friday or Saturday and get the issue to the floor next week.

The committee is to hear today or tomorrow Mrs. Muriel Spear Borah Williams of Atlanta—named by a Dies subcommittee as a Communist sympathizer in Tennessee alley authority in 1939. Lienthal is expected to testify again to refute charges that he tolerated Communists in TVA.

Health Talks By DR. W. A. WOMER City Health Superintendent

IDAHO

Idaho is a big State. It covers lots of territory. It does not have a very large population.

Idaho farmers go for potato raising in a big way. They send us some fine potatoes.

Potatoes are a good old standby. They provide lots of nourishment. They taste good and feel good under the belt.

They provide abundance of starch along with minerals and vitamins. Starch is made use of by the body

to produce energy. Energy makes the engine go.

People who are active need lots of potatoes. They are used up by the body and are not likely to make a person fat. The butter and gravy are the fat makers usually.

If Butch is too fat, mother should not put butter and cream in the mashed potatoes.

STUDY HABIT DATA

STATE COLLEGE, Pa., Feb. 25.—Study habits and techniques are not instinctive and have to be consciously cultivated and developed, according to Dr. Agnes R. McElwee, who advises Pennsylvania State college students to adopt a well-organized method of study, and follow it throughout the school year.

REDUCING PLAN!

That "Burns Off" Fat Without Drugs or Violent Exercise

Based on the Same Sound Medical Principle for Slenderizing
Proved So Effective By Thousands of Women Everywhere!

NO STARVING! NO DRUGS! NO VIOLENT EXERCISE!

Get At Your Grocer's Now!

What It Is And How It Works

If you are overweight due to excess fat, here now is a way you can reduce to that normally slim, military-looking, trim figure you should have. A way not only proved, but requiring no drugs or violent exercises.

And—unless there is some abnormal condition, in which case you should see a doctor—it is guaranteed to "burn off" excess fat because based on a proved principle of medical science.

Of course, check with your doctor first, and then, in the interest of health and a better figure—do now what you know you should do—start today and get rid of some of those ugly rolls of fat that now give you an unsightly "3-Bump" figure.

"Burns Off" Excess Fat

The whole idea of this plan is to provide

good food in an amount which permits you to slenderize without medication or strenuous exercise.

There's no dosing with racking salts or drugs you know nothing about. No pulling yourself to pieces with violent exercising. And no fainting on a lettuce leaf. This way you even eat many desserts!

You follow the scientific principle proved by doctors that to reduce safely (avoid acidosis) you must get at least a pound of carbohydrates—which provides "the flame fat burns in"—for every pound of fat you burn off.

Simple and Convenient

And it's all so simple. Any woman who

can multiply the weight she would like to be by 15 and then subtract 400 can do it.

It is the famous Wonder Wheat Bread Reducing Plan proved so amazingly effective by thousands of women before the war.

And you can get it at your grocer's with every loaf of pre-war quality Wonder Wheat Bread—containing Vitamin B₁.

This vitamin is one science has found necessary to help transform the carbohydrates in bread into "the flame fat burns in."

Then, too, this new Wonder Wheat Bread is made with a specially blended flour which retains moisture better than ordinary whole wheat flour. So you'll find this new Wonder Wheat Bread fresh and delicious!

Just ask your grocer for the Wonder Wheat Bread and the Reducing Plan today—start burning off unsightly fat tomorrow. Supplies limited—get your copy at once.

Former New Castleites Married For 62 Years

(By JAMES P. CALDWELL)

ST. PETERSBURG, Fla., Feb. 24.—Mr. and Mrs. E. E. Smith celebrated their 62nd wedding anniversary here today, by sitting on the green benches, and shaking hands with their New Castle and other friends. They lived in New Castle 37 years, 30 of which were passed in a house which they owned on Wallace avenue.

Mr. Smith at that time was connected with the accounting department of the Pennsylvania railroad, a position which he held for 47 years. Mr. Smith is now 86 years of age and Mrs. Smith 82. Both are enjoying fairly good health. They walk from their hotel six blocks to the green benches in the main business section nearly every day. They have made 22 trips to St. Petersburg, having spent 16 winters here, and making six vacation trips while Mr. Smith was still employed in New Castle. Upon his retirement from active duty, they moved to Philadelphia, their original home, and where they were married. They have three children living: Miss Elizabeth Smith, who will make her home with them in the future, Mrs. J. F. Gordon, of Mt. Lebanon, Pittsburgh, and Mrs. Amy Gifford, of New Lebanon, O.

Mr. and Mrs. Smith have enjoyed an unusually happy married life. Mrs. Smith had a rolling pin when they first went to housekeeping, but never had occasion to use it other than to flatten dough. The rolling pin is now somewhat the worse for wear, she says, but it is now one of her most prized possessions. It was with that rolling pin that she made the home-made pies and cakes, that contributed to their home.

Her recipe for a happy married life is for each partner to keep up the little attentions that pleased during courtship, and never both get angry at the same time. "It has worked with us for 62 years," she says, "and there is no reason why it should not work for others."

Mrs. Smith also believes that longer courtships would do much toward cutting down the divorce evil. "How can a couple know anything about each other's likes and dislikes during a puppy love of a few weeks or months," she asks?

YOUNGSTOWN, Feb. 25.—Machoning County Sheriff Ralph E. Elser and his deputies had their hands full as they attempted to keep back the hundreds of murder case fans Monday as the murder trial of Don Frohner and Arthur Chapman got under way with the two 16-year-old youths pleading guilty and asking for mercy.

The boys, who plead guilty of beating to death of William C. Spieth, Ashabula salesman and plotting to kidnap a school companion, are being tried before three judges. Because of their plea for mercy, it will not be necessary to hear all the evidence. The court permitted only 68 spectators in the court room.

Blame for the criminal record of the boys was placed on broken homes. In talks with relatives and teachers it was found that the boys desire was to get away from it all.

Cuban Government Hastens To Deport Luciano To Italy

HAVANA, Feb. 25.—(INS)—The Cuban government moved with haste today to deport Charles (Lucky) Luciano to his native Italy. Police Chief Benito Herrera said that although the government has 45 days in which to deport the former New York vice lord and racketeer, it is speeding up matters to get rid of the unwanted visitor. Luciano faces trial and a possible jail sentence for clandestine emigration when he does get back to his native land. Rome authorities reported they were awaiting his return.

Water Scarce At Oakdale

OAKDALE, Pa., Feb. 25.—(INS)—Oakdale's 2,000 residents today were hampered for the fifth day by strict water rationing as a result of a leak in the town's water main. Schools remained closed and households were being given only two-hours water supply a day as repair crews rushed to repair the leak which began Thursday. Borough officials said the location of the leak which began Thursday. Borough officials said the location of the leak was not discovered until yesterday because of the heavy snow.

Repair crews said normal water supplies were expected to resume by tomorrow night.

Bills Embracing State Aeronautic Program Entered

Legislation Effecting Commission's
\$4,500,000 Program Before
House Today

HARRISBURG, Feb. 25.—(INS)—Legislation embracing the Pennsylvania aeronautics commission's \$4,500,000 program for the next two years was before the house today.

Seven bills were introduced by Rep. William R. McMillen (R) Indiana, a commission member, including one to "channel" all federal airport funds through the commission.

Other measures would: continue allocation to the commission of liquid fuels tax money collected on gasoline sold for aviation; authorize first and second class townships to acquire sites for airports; create an "aircraft pool" to provide for the use of state planes for official business; and permit state airports to execute leases up to five years.

Gives Allocation
Commission director William L. Anderson explained that the federal government was expected to allocate \$9,000,000 during the next biennium for airport development in Pennsylvania. The commission will pay 25 per cent of the cost of developing airports and local communities a similar sum, he explained. Federal money will finance half the costs.

In a report of its activities during the past two years, the commission reported that the number of licensed airports increased from 139 on January 1, 1945, to 265 on December 31, 1946.

The commission has planned a 10-year aviation development program estimated to cost \$34,312,000.

In its report, the agency said that \$1,100,279 of the \$2,725,000 appropriated by the general assembly in 1945 had been allocated to municipalities for planning and construction work.

The commission received \$360,356 during 18 months ended November 30 from the motor license fund for the liquid fuels tax collected on gasoline used for aviation, the report said.

Variety Artist Guild War Traps Nightclub Owners

PHILADELPHIA, Feb. 25.—(INS)—Quaker City night club owners were trapped today in the middle of a feud between warring factions in the A.P.L. American Guild of Variety Artists.

Each camp threatened to "pull out" floor shows if the night spot owners dealt with the other.

As Richard Jones, executive secretary of Philadelphia's Local 6 of the AGVA warned that "we're going to fight for every contract and pull our shows out if necessary," a counter threat was made by David Fox of New York, assistant national director.

Fox, who "dismissed" Jones and "dissolved" the Philadelphia local last week, declared that "any artist who is playing with a Jones-approved contract could be placed on the 'unfair' list, depending on the circumstances."

Meanwhile, the beleaguered owners awaited a court hearing scheduled for next Monday in which the AGVA national leadership is suing to oust Jones and take over his union affairs.

The union strife arose from the action of National Director Matt Shelvey in abolishing the union's autonomous "locals" and substituting "branches" of the organization's national office.

Veterans Prove Good Loan Risks At State College

Some 500 Who Made Loans Are
Prompt In Repaying, Bur-
sar Discloses

STATE COLLEGE, Pa., Feb. 25.—Veterans at the Pennsylvania State college have proved themselves good risks in the loan market.

Bursar Russell E. Clark, who has made nearly 500 loans to veterans, found them prompt in re-paying the money they borrowed from loan funds.

From one \$1500 fund, Clark has loaned \$8627 in the past year. Prompt payment of the loans made possible a six-fold turnover of the original \$1500.

"The loans are very informal," Clark says, "and except for one fund, the signed receipt of the borrower is the only prerequisite. There are no legal notes and no official red tape."

Robert E. Galbraith, faculty counselor of veterans, who approves the requests for loans, finds that failure of the ex-GI to receive his subsistence check is the cause for nearly every loan.

"Half of the loans go to married men with children," Galbraith explained.

The average married man who needs money borrows between \$50 and \$100 while loans to single veterans usually range between \$15 and \$20. No veteran is allowed to borrow more than \$150 in any one semester.

One \$15,000 loan fund, established at Penn State by Bayard Rustin, vice president of General Motors, Inc., and his wife, is available only to married veterans. Two other funds, each amounting to \$1500, were established by the Phillipsburg, Pa., posts of the American Legion and Veterans of Foreign Wars.

LOSES INTEREST
CHESTER, Pa., Feb. 25.—(INS)—Sixty-nine-year-old Mrs. Margaret Ashmead, of Chester, probably has lost her interest in youthful athletics.

Her interest was dimmed when a group of playful youngsters accidentally ran into her and knocked her down as she watched them cavort.

Mrs. Ashmead suffered a broken hip.

The name Christopher means Christ Bearer.

Around Hollywood

By JOHN TODD

International News Service Staff Correspondent

HOLLYWOOD, Feb. 25.—(INS)—Robert Hutton, the very handsome young actor, has an idea. He thinks young couples would be wise to postpone their honeymoon trips until three or four months after their marriage.

Bob and Cleatus Caldwell only recently returned from a two weeks' honeymoon at Sun Valley, Ida., so he could start work in "Wallflower" for Warners.

Said Bob: "I was working at the time we were married so it was three months before we could get away. I think it turned out better that way. I think we had more fun than if we had gone right away. Any couple has to get adjusted to each other and in three months you can do it."

"I think any couple would be better off waiting than taking their honeymoon right away."

Bob, who was brought up around Lake Placid, N. Y., loves to ski. He gave Cleatus her first lessons at Sun Valley.

"She did remarkably well," Bob said. "I hope we'll be able to get up there for a month next winter."

Dick Powell, a tough guy on the screen, is such a gentle soul in real life that they had some trouble filming a scene for "Assigned To Treasury" at Columbia.

The scene showed Powell, as a narcotics agent, trying to get information from beautiful Signe Hasso in rather rough fashion. The first idea was to have Dick take Signe's arms and shake her. They did it over and over again, but director Robert Stevenson wasn't satisfied.

"I think rather than shake her you'd better slap her," Stevenson said.

"How hard?" asked Dick. "Well," said Stevenson. "Hard enough to make it look real. That's not very hard."

They started over again and Dick gave Signe a gentle tap. Stevenson called a halt immediately and said: "You can't do it that way."

They did it several times more and each of Dick's slaps was of the feather variety.

Finally Signe looked Dick straight in the eye and said: "I want you to slap me hard. I can take it. I've worked in George Raft pictures."

Now that she's finished "Lady From Shanghai" for Columbia, Rita Hayworth is depending on a vacation at Acapulco, Mexico, to cure a cold which has been plaguing her for more than a week.

Indiana Moves Toward Curbing Mass Picketing

INDIANAPOLIS, Feb. 25.—(INS)—The Indiana senate on Monday took the first step of the session to curtail asserted picketing excesses of labor union members during strikes.

After a lengthy floor argument, the upper house by a vote of 27 to 15 passed the bill to prevent mass picketing before struck factories and establishments in such a way that entrance or exit is barred. The measure was initiated by Sen. Palmer R. Edgerton, Republican.

**President Orders
'Inefficient' Be
Given Discharge**

WASHINGTON, Feb. 25.—(INS)—President Truman, under new regulations designed to return civil service employment to a peacetime basis, has ordered discharge of all "inefficient" federal workers.

The new rules, effective May 1, were promulgated in an executive order.

A White House statement pointed out that the order is issued at a time when the number of federal employees is being drastically reduced. The statement added:

"Since V-J Day, almost a million and a half federal employees have been released. Additional reductions are planned during the next few months."

The statement noted that among employees separated from government payrolls during the last fiscal year were 100,000 ousted because of inefficiency.

Under the new order preference in civil service appointment and retention will go to veterans, widows of veterans, and wives of disabled ex-servicemen, in that order.

SOWS NEED SANITARY COMFORTABLE QUARTERS

As the spring farrowing season approaches, the preparation of sanitary and comfortable quarters for the brood sows is in order.

Pens need to be cleaned and scrubbed with a strong solution of lye water, and after they are dry, floors should be covered with clean, short chaffy litter. As the pigs increase in size more litter can be added.

About a week before the pigs arrive, brood sows should be placed in the farrowing pens to let them become accustomed to their new quarters.

The last 4 to 6 weeks of the gestation period are very important in the development of the unborn pigs. Brood sows need liberal rations containing 16 to 18 per cent of protein, access to a mineral mixture, and plenty of water.

Quarters must be free from drafts, and the sows should be spared from any crowding, and not subjected to hazards from contact with other farm animals.

There were about 5,000 British Indians in the United States before World War II.

Senate Plans Night Sessions

WASHINGTON, Feb. 25.—(INS)—Sen. Taft (R) O., Senate GOP policy chairman, announced that the Senate will begin Monday and Wednesday night sessions two weeks from tonight, March 10.

Taft told the Senate the night session program was an "experiment" designed to give more time for committee work during the day and to increase Senate attendance.

The evening schedule calls for the Senate meeting from noon to 5:30 p. m., then recessing for dinner followed by an evening session from seven to 10 p. m.

Sitdown Strike Ends On Monday

PITTSBURGH, Feb. 25.—(INS)—The sitdown strike at the Westinghouse Electric Corp., East Pittsburgh plant, ended late Monday afternoon when 1400 workers heeded the appeal of union officials to resume work.

Officials of the CIO-United Electrical Workers Union said the employees agreed to return to work so negotiations on the grievance—an

incentive wage dispute—could get underway.

The strike started Friday when 300 employees, mostly women in the transportation and generator department, declined to work until adjustments were made in a new time value schedule. It spread gradually until today when 1,400 workers refused to take up their tools.

William C. Doane, author of the hymn "Ancient of Days," and others, was a clergyman of the Episcopal church. He was bishop of Albany from 1869 until his death in 1913.

Altoona Wreck Toll Up To 24

ALTOONA, Pa., Feb. 25.—(INS)—Ann Phillips, of Detroit, a bride of eight days, died in the Altoona General hospital shortly after 1:30 p. m. Monday from injuries suffered in the wreck of the Pennsylvania Railroad's crack train, the Red Arrow, near Altoona last Tuesday.

Mrs. Phillips' death brought the death toll to 24. F. S. Turek, of Altoona, Pa., died earlier. His wife and two children are still in the hospital.

D. A. R. CHAPTER MUSICALE TEA

Coral room of The Castleton was the scene Saturday afternoon of the Washington's Birthday silver tea and musicale given by Lawrence chapter of the Daughters of the American Revolution. A number of members and guests were in attendance for this annual February event.

Soloist of the afternoon was Charles I. Sager, of New Wilmington, baritone, and professor of voice at Westminster college who sang two groups of selections that drew appreciative applause from the audience. Mrs. Ruth Thompson Evans was Mrs. Sager's accompanist and in her solo group on the program included Bach's "Fantasia in C minor" and the finale from Chopin's "Sonata in B minor." Mr. Sager's first group included two Sibelius compositions and for his second he sang "Come Down to Kew" and the solo song from "Carousell."

Tea was served from a table effectively decorated in keeping with the patriotic occasion with a flower arrangement of red and white carnations and blue iris with red candles at either side. Presiding at the silver tea services were Mrs. W. W. Campbell, regent, and Mrs. Marvin B. Dinsmore.

Hostesses were Mrs. William J. Caldwell, Miss Annah Stevenson, Miss Geven Stevenson, Miss Mary Clarke, Mrs. W. H. Luikart, Mrs. J. O. Houston, Mrs. H. L. Gornley, Mrs. Dale Mullen and Mrs. Lester P. Hauschild.

On Saturday afternoon, March 1, at 2:30 o'clock the chapter will meet again in the coral room of The Castleton for its regular March program when Dr. Allen C. Morrell, of Geneva college, will be the speaker.

Dr. Morrell's subject will be "Personalities of the Revolutionary Period."

Hostesses will be Miss Alma Locke, Miss Belle Offutt, Mrs. George Muffley, Mrs. J. C. Cunningham, Miss Helen Mosley, Mrs. Hazel Wilson, Miss Genevieve Houston, Miss Rose Barber and Mrs. J. M. Gardner.

Power Company To Make Change At Enon Valley

Wednesday morning the Pennsylvania Power company will make an important change in electric service facilities in the Enon Valley area. The substation and line serving the district will be changed over to a higher voltage. Later parts of this district which have been served out of Stop 40 substation, will be connected to the Enon Valley station.

The changes will bring about improved voltage and service conditions in the area and provide better arrangements for serving the steadily increasing load.

Service will be interrupted for approximately three hours between 8 a. m. and 11 a. m. while the changes are being made.

Testimony On Speed Of Train Is Conflicting

Probe Of Wreck Of Red Arrow At Altoona Is Under Way At Pittsburgh

PITTSBURGH, Feb. 25.—(INS)—Testimony of witnesses disagreed today concerning the speed of the Pennsylvania railroad's ill-fated Red Arrow at the time it leaped the tracks near Gallitzin a week ago carrying 24 persons to their death.

At a three-pronged inquiry into the wreck in Pittsburgh, lasting from 9 a. m. yesterday until 3 a. m. today, investigators heard three engineers and firemen of a west bound freight testify the crack Detroit-New York night train was traveling 40 to 45 miles an hour.

Others said its speed was 35 miles—the prescribed rate of approach for the Bennington curve where the train plunged over a 150-foot embankment.

The conflicting testimony was heard as the death toll in the wreck climbed to 24, latest victim was Mrs. Ann Phillips, 27, of Detroit, second honeymooning bride to be separated from her husband by death in the accident.

Other witnesses appearing before the railroad, public utilities and interstate commerce commission investigators declared that the locomotives and cars of the Red Arrow had been inspected and found safe before the train left Pittsburgh bound for Altoona.

G. R. Hersberger, conductor on the Red Arrow, said he felt regular application of brakes and then emergency brakes just before the wreck. He said the speed was normal.

The board, after hearing the last witness, said the testimony would be transcribed and a decision handed down later. They will inspect the wrecked locomotives and cars when they are pulled out of the ravine where they crashed.

Investigators included: D. E. Smuckler, of the railroad; H. A. Weaver, of the PUC; Gordon Morris, of Washington, G. C. Finney, of Baltimore and D. J. Fitzgerald, of Pittsburgh, all of the ICC.

Kenneth D. Shaffer Dies At Woodbury

Roy Moose, of Mercer, R. D. has been informed of the sudden death of Kenneth D. Shaffer, aged 47 years, on Monday at his home in Woodbury, Pa. Mr. Shaffer was a resident of Volant until about 15 years ago.

Among the survivors are his wife, one daughter and three sons. Funeral services will be conducted Thursday afternoon at 2 o'clock from the late residence at Woodbury.

Father and Sons Week will be observed by New Castle Kiwanis club at their noon luncheon Wednesday when the members will bring along either their father or their son. The speaker will be Miss Hannah L. Parks, supervisor of special education for Beaver and Lawrence counties. Rev. Collins of the Christian Businessmen's association of New Castle will also be a speaker.

Engineers Group Hears Program On New Mobile Phone

Bell Telephone Company Sponsors Program At Monthly Dinner Meeting Of Engineers

Members of the Mahoning-She-nango Valley Engineers society were deeply interested in the explanation of the operation of the new mobile radio-telephone, recently developed by Bell Telephone and Western Electric, which was given them at Monday night's dinner meeting in The Castleton.

N. N. Jaquith, local manager, gave an explanation, and introduced M. G. Jarrett of the Pittsburgh district office of the Bell Telephone company, who gave a more technical description of the operation of this new innovation in communication.

Several films were also shown the audience, and following the discussion a question period took place.

Panel Discussion Slated Thursday

Brotherhood Week Theme Still Observed By Good Will Conference In Program

Brotherhood week sessions, which have been in the limelight for the past week or so, will be featured again Thursday evening, February 27, when it takes form of a panel discussion, sponsored by the Good Will Conference in North street school at 7:45 o'clock.

Many various local problems will be on the agenda of the evening, with the following being participants on the panel boards: Clyde Cunningham, Dr. James Gillespie, Mrs. K. H. Beck and Mrs. L. F. Kohn. A moderator will be selected later.

The panel board will devote their discussion entirely to local problems, as applied to practical everyday living. Not only will the session prove interesting to the audience, but it will also be educational.

Members of the community are showing keen interest, as they had in previous projects, and in keeping this in mind, it is expected that a large crowd will attend the panel discussion.

District North Of City Hit By Gas Shortage

Gas users in Lawrence county north of New Castle were affected yesterday afternoon by a gas shortage that developed because of a break in one of the main supply lines for the company servicing that area.

Gas was cut off for several hours, and began to come back about 9 o'clock last night.

Western Union Operator Dies

PITTSBURGH, Feb. 25.—(INS)—Patrick J. Flynn, 58, a specialist on automatic transmission for the Western Union and for many years a Morse operator for the company, was dead today, victim of a heart attack while at work.

Flynn, who stayed at his sending key for 72 hours during the St. Patrick's Day flood of 1936, had received and sent millions of messages since he became an operator in 1919. He "worked" many college and professional football games and most of the National league baseball games in Pittsburgh.

His widow, two daughters and four sons survive.

NAACP Hears Fine Talk At Meeting

Rev. Thomas J. Jones Addresses Local Chapter At Meeting In St. Luke's Church

At the monthly meeting of the local branch of the National Association for the Advancement of Colored Peoples, held in St. Luke's A. M. E. Zion church, Rev. Thomas J. Jones, pastor of the First Congregational church brought a splendid message of encouragement.

Rev. Jones, speaking from the subject, "Keeping one's footing in slippery times," stated that you cannot legislate brotherhood, but that it must be practiced in a true Christian way. He stated that it is useless to preach democracy to the rest of the world and believe in racial supremacy and Bilboism at home. The word of God, he declared, is what makes men strong.

Rev. J. L. McFarland gave the invocation, and Ernest A. Huddle, Jr., president of the Youth Council, introduced Mrs. Edna Smith, who gave a lovely soprano solo. James Gillespie gave a resume of the work the Youth Council will take up this year.

President Thomas G. Farrow announced that the goal of the association has been set at 400 members this year.

Wings Of The World Will Be Duel's Topic

Capt. John V. Duel In Return Engagement With Executives Club Next Week

Capt. John V. Duel, who spoke to the New Castle Executives last year, will fill a return engagement on Thursday evening, March 6, when he will discuss the subject, "Wings of the World."

Capt. Duel, noted traveler, has visited many spots from which few white men troop. "Wings of the World," is a discussion of the age of flight, and what it means to men and women everywhere. It deals with matters of immediate concern to the great mass of the American people.

Besides being an able speaker, Capt. Duel is a noted author and has produced two best sellers.

More Cigarettes Smoked By Women Than Men, He Says

ALBANY, N. Y., Feb. 25.—(INS)—Sen. Benjamin F. Feinberg, president pro tem of the New York state senate, may have started a major controversy today with the flat assertion that women smoke more cigarettes than do men.

Feinberg made the statement in reply to a Democratic claim that the veterans would be paying their own bonus if an additional tax on cigarettes was imposed to help pay for the proposed 400 million dollar state soldier bonus.

"A very great amount of such a tax would be paid by women, rather than men," said the Plattsburg Republican. "They smoke more cigarettes than men do."

The Chinese were unquestionably the world's greatest potters. From as early as the 12th century, during the Southern Sung period through Mink and Ching, they made discoveries and developed techniques that influenced all the later great European work.

Relief At Last For Your Cough

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

SAXON SINGERS ON WKST TONIGHT AT 10:30

EINTRACHT SINGING SOCIETY

W. A. Nischwitz, Director

RICH MUSIC

Transylvania Saxon Folk Songs, German Love Songs, Rollicking Drinking Songs and robust English Choruses—that's the fare tonight at 10:30 when the Men's Chorus of the Eintracht Singing Society—the Saxon Singers of New Castle take to the air waves over WKST.

You need not understand German, you can't miss the message of this beautiful and stirring music in the rich tenors, baritones and basses of this famous men's chorus.

Tune in WKST at 10:30 P. M. tonight for a half-hour of thrilling enjoyment.

FAMOUS CHORUS

The Eintracht Singing Society, founded 53 years ago in New Castle is known over the country for exceptional choral singing.

In 1937 they won 1st prize in the National Contest of the Sieberburger Sachsen Association.

The chorus of 40 voices is largely made up of young veterans back from service with the U. S. Army, Navy and Marine Corps.

This is one of a series of public programs in celebration of twenty years under the leadership of their beloved director, Mr. Waldemar A. Nischwitz of Youngstown, O.

Communist Troops Launch Offensive In China's Warfare

PEIPING, Feb. 25.—(INS)—Chinese Communist troops lashed out from their mountain strongholds in central Shantung province today in a counter-offensive designed to prevent Government forces from reopening the Tientsin-Pukow railroad.

The Reds struck primarily at Nationalist concentrations southeast of

Tsinan, capital of the rich north China coastal province.

The object was to block a projected juncture of these forces with government columns hammering north along the rail line.

Chinese dispatches indicated the Communists have seriously crippled the northern claw of the government vise. The Nationalist units composing that claw had been closing south toward a meeting with government troops racing north

toward the rail city of Tsoshsien, 80 miles south of Tsinan.

Government sources admitted that the Communist new Fourth Army had captured Poshan and Tsushan, respectively 46 and 48 miles east of Tsinan.

Four government divisions were believed to have suffered heavy losses in this action.

COLLEGIAN FOUND DEAD

ITHACA, N. Y., Feb. 25.—(INS)—Richard C. Kraft, 19, of Tusconville, Pa., a sophomore in the College of Engineering at Cornell was found dead Monday in bed in a Cornell dormitory.

No cause of death was ascertained immediately. An autopsy will be performed.

Billy Soose, former Penn State and professional ring champion, is proprietor of a health farm in the Pocono Mountains of Pennsylvania.

Name Division Leaders In Red Cross Campaign

Eleven Main Divisions Poised To Start Active Work In Annual Effort

The Red Cross campaign organization is practically complete and ready to start active work, according to S. Glenn McCracken, general chairman of the drive. Mr. McCracken, with Austin A. Webb, vice chairman, and division heads have lined up a strong and enthusiastic group of workers to raise the quota quickly and efficiently.

Division Leaders
Eleven main divisions have been organized with the following in charge:

Attorneys—William D. Cobau.
Business District—Lauri G. Laur-ell and William Hanna.
County—Milton A. Pattison.
Government—Andrew M. Dodds.
Industry, J. Preston Flaherty.
Insurance, Real Estate—George D. Reid.
Railroads, Edward M. Fisher.
Residential, Doctors, Dentists—Mrs. Ray G. Caruthers.
Schools—Dr. Frank L. Burton and Grace L. McCabe.
Special Groups—Alec Samuels.
Truckers—L. Fred Clarke.
All groups are ready to start active solicitation promptly.

Opening Gun
The opening gun in the local campaign will be fired with a dinner meeting at the Cathedral March 4. Sponsored by the Kiwanis club, the meeting will be open not only to Red Cross workers but also to all local service club members who are attending this as their regular weekly meeting. The speaker is Miss Louisa Farrand, a representative of the Public Relations staff, National Red Cross Headquarters.

One hundred years ago drinking tea from saucers was perfectly correct etiquette. In the Metropolitan Museum of Art, New York City, may be seen a collection of tiny Sandwich glass cup plates which were set under 19th century teacups.

Will Set New Date For Postmen Dinner

Gas Shortage Makes Dinner Event Impossible; Meeting Tonight At Y.M.C.A.

Due to the gas shortage the dinner-program scheduled Monday evening by members of the New Castle Post Office letter carriers at a suburban dining room was unable to be held and was postponed until a later date.

This evening the Letter's Carrier Branch No. 22, National Association of Letter Carriers will meet at 8:15 o'clock in the Y. M. C. A. building for their local session with President Carl Weide in charge. The new date for the program and dinner will then be set.

The consumption of wood pulp in tons of 2,000 pounds, in the production of paper and paper board in 1942 was 11,038,020 tons; in 1943 it was 10,635,320 tons, and in 1944 it was 10,502,204 tons.

Warns State On Industry Flight

PHILADELPHIA, Feb. 25.—(INS)—G. Mason Owlett, president of the Pennsylvania Manufacturers' association, emphasized today that the commonwealth should be on guard against any "flight of industry" from the state.

In an address prepared for delivery at a luncheon meeting of the association in Philadelphia, Owlett declared:

"We want no more 'flight of industry' from Pennsylvania such as we witnessed in the Earle administration. Rather, we as Pennsylvanians want to encourage industries now operating within our borders and to attract new manufacturing enterprises."

He explained that "Pennsylvania industry does not want to be pampered," but pointed that "neither does it want to be penalized, hamstrung or shackled."

Jurors failing to attend court in Dublin are being fined \$12 each.

Will Name Staff Of Newspaper At Westminster

NEW WILMINGTON, Feb. 25.—Richard Beverage of New Kensington, former managing editor, and Ralph Zahniser of Pittsburgh, have been named assistant editors of The Herald, Westminster college newspaper, to serve until new staff elections are held March 24.

The two assistant editors will have general charge of the paper when the four senior staff members begin practice teaching March 3, according to Miss Grace Jones of New Brighton, editor.

Other staff changes include the return of Miss Marjorie Boles of Barboursville, O., to the position of feature editor and Miss Margaret Bremner of Coraopolis as copy editor.

At staff elections in March an editor-in-chief and business manager will be elected by the staff from applications submitted to Dr. William J. Thomas, head of the journalism department. Other staff members will be named by the two students winning the election.

Car Shortage Is Biggest Worry

President Of Association Of American Railroads Not Worried Over Young's Plan

WASHINGTON, Feb. 25.—(INS)—Robert V. Fletcher, president of the Association of American Railroads, said today that he is "more worried about the freight car shortage than about Brother Young's."

"Brother Young" is Robert R. Young, an avowed enemy of AAR and organizer of the new Federation for Railway Progress—"a non-profit organization to restore courtesy, efficiency and earning power to the American Railroads."

Fletcher told a reporter he was "unperturbed" by the federation and did not see it as a threat to the association's future. He explained: "The two organizations don't cover the same field. The AAR is strictly a railroad organization. Mr. Young apparently wants to start some sort of public organization."

"If he can bring about all the wonderful things he says he can, I wish him well."

Alcohol Fatal To Five Men On Drinking Party

PHILADELPHIA, Feb. 25.—(INS)—Five men, and possibly a sixth, were listed by police today as the fatal victims of a merry drinking party in which they took turns at a jug of denatured alcohol.

The five were found dead near a South Philadelphia wasteland shack while the other was discovered screaming in agony in a vacant lot, and died shortly after being taken to a hospital.

Police said Charles Atkins, 76, who lives in a shack near the spot, told them two of the victims came to his place and complained of feeling ill. Then they suddenly cried out that they were going blind, and staggered away, he said.

Urges Continuance Of Rent Control

WASHINGTON, Feb. 25.—(INS)—Chairman Tobey (R) N. H. of the Senate banking committee declared Monday following a closed-door session with OTC director Philip Fleming that it will be "the part of wisdom to continue rent control."

Tobey announced that the banking subcommittee now drafting a rent control bill expects to complete its work early next week.

Best indications were that a general rent increase of 10 to 15 percent would be voted by the subcommittee headed by Sen. Buck (R) Del.

**PROPOSED BILL
WOULD GIVE HELP
TO NEEDY SCHOOLS**
HARRISBURG, Feb. 25.—(INS)—Three million dollars to aid financially-handicapped school districts was proposed today in a bill before the House.

The measure, co-authored by Reps. Harry P. O'Neill (D) Lackawanna, and Ivan C. Watkins (R) Schuylkill, provided that the money should be distributed at the discretion of the superintendent of public instruction.

Natural gas as a fuel was first used in the United States in the Pittsburgh district of Pennsylvania about 1892. It was used for heat and power both for domestic and industrial purposes.

Meet the boss!

Meet Babs Brown, the Boss. We don't mean Mister Brown's boss, either. We mean *our* boss—and a very nice one, too.

Sound odd to you? Well, it isn't. It's a solid fact that your electric light and power company is owned by a lot of people like Babs Brown—and Bob Brown—yes, and yourself.

Housewives, doctors, teachers—industrial workers, craftsmen, farmers—mechanics and milkmen—people from all walks of life have put some of their savings into electric companies such as ours. They're the *direct* owners.

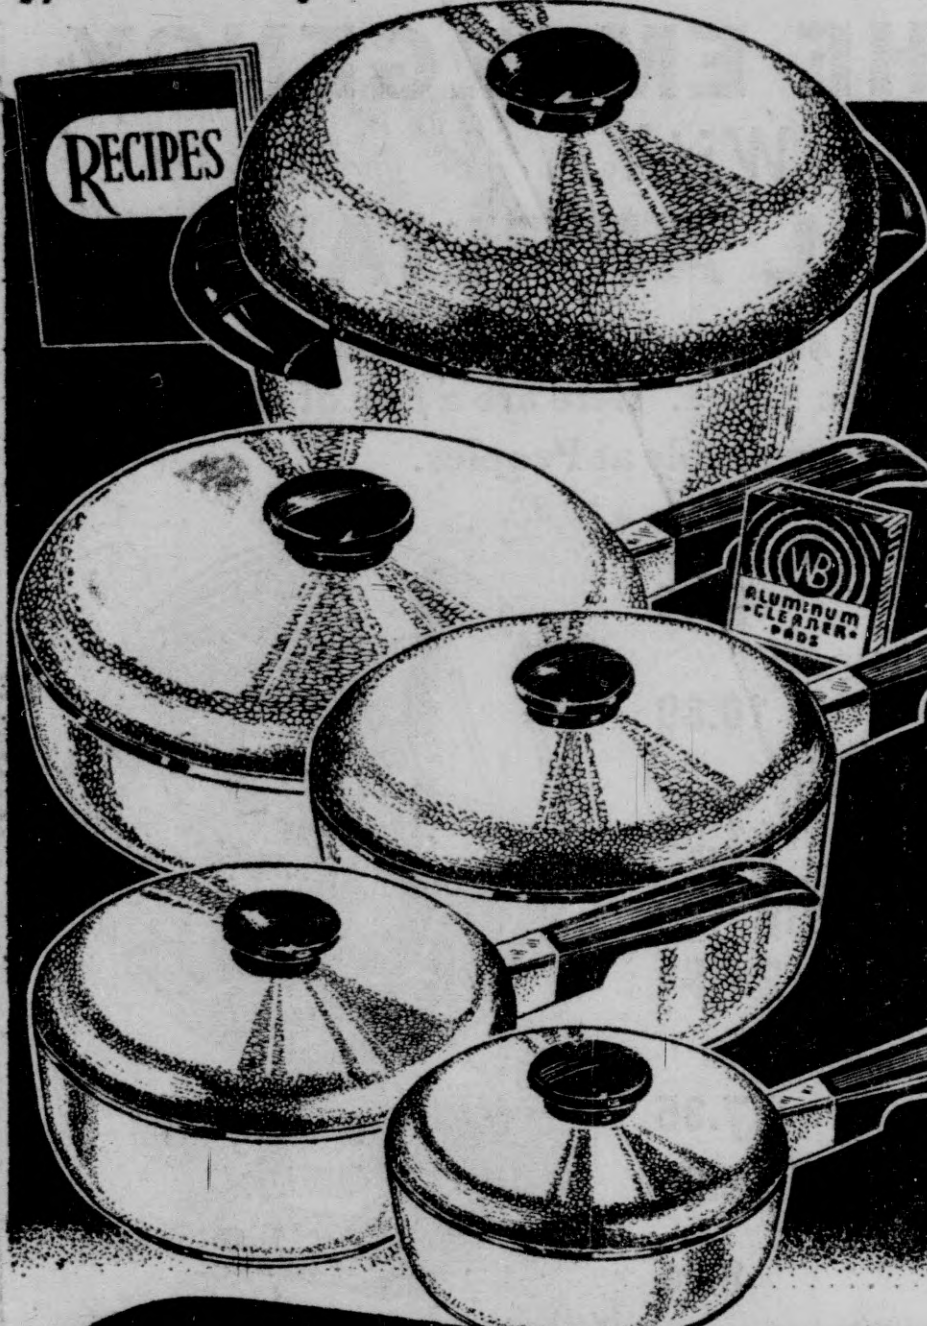

But there are countless *indirect* owners, too—and many of them have no idea of their stake in the electric industry. They are the people who have savings accounts or life insurance policies—and that means nearly everybody. It works like this: When banks and insurance companies accept your money, they must invest it safely, wisely. And because business-managed electric companies have a long record of faithful public service, much of this money is invested in utility securities. So you, too, are probably one of our bosses.

War Department Plans To Utilize Scientists And Engineers Of U.S.

By FRANCES MUSIC
(U. S. Staff Correspondent)

WASHINGTON, Feb. 25.—The war department announced plans today for achieving "100 per cent" utilization of every scientist and engineer in the United States.

The department said that toward this end "scientific societies of the nation are making a survey which it is hoped will cover every scientifically trained person in the country."

The announcement said:

"The research and development division is cooperating with these organizations in working out a plan which will provide for an equitable allocation, in time of necessity, of the available supply of scientifically trained persons."

They would be channeled in this unprecedented personnel program to universities, industries, civilian services and the armed forces.

100 Per Cent Program

The department's research and development division was said to have started back on the far-reach-

ing program "in the interest of achieving 100 per cent utilization of every scientist and engineer in the United States, in or out of the army."

The department said that the division must utilize all available scientifically trained individuals so that its operations will be as effective as possible in terms of personnel, facilities and funds.

Phases of the army's personnel program were outlined as follows:

Cooperation with the other armed services and with civilian organizations in an effort to carry out plans for assuring the most efficient use of all persons trained in science.

Concentrated effort within the war department to make certain that scientifically trained persons in the army, or working with it, are properly utilized.

Efforts to assure qualified army personnel scientific training within the department and to provide scientists with the kind of environment in which they can further their work and careers.

Hurley Makes Protest On Russian Article

SANTA FE, N. M., Feb. 25.—(INS)—Patrick J. Hurley, former ambassador to China, contended Monday that his reports concerning China had been "given or sold to communists by state department officials."

The charge was made in a letter from his Santa Fe home to the editor of a national magazine.

The letter was written in protest of an article by Edgar Snow in the Saturday evening Post, concerning Russian and communist activities in China.

Hurley charged that "some of my reports to the state department leaked in a distorted form to the public. Some of them, with other secret documents, according to the FBI, were given or sold to communists by state department officials."

The former China ambassador added "none of these documents has even been given in its entirety to the American people."

Hurley denied Snow's statement that the former ambassador had "come to the conclusion that the Chinese communists could not stand without Russian aid."

Distortion of Facts

He asserted it was "a distortion of facts as leaked out to Mr. Snow from the leftists in the state department."

The former ambassador denied a conversation between him and Stalin in Moscow reported by the author and asserted:

"Mr. Snow quotes Stalin as having said to me 'the Soviet government was determined not to interfere in the internal affairs of China.' That statement is false."

"Generalissimo Stalin and I may have disagreed," Hurley wrote, "but we never misunderstood each other."

In the five-page letter attacking Snow, Hurley also charged that "Mr. Snow attempts to leave the impression that President Truman has permitted him to read my reports to the president."

"I do not believe this is true. I am certain that President Truman would not have issued such a distorted statement of my reports to him as that published by Mr. Snow."

PORTAL PAY SUIT AGAINST ELECTRIC COMPANY CONTINUES

PHILADELPHIA, Feb. 25.—(INS)—The portal pay suit against the Electric Storage Battery Company continued in a Philadelphia courtroom today with emphasis on speed.

In a unique demonstration, District Court Judge William H. Kirkpatrick learned just how long it takes for a company guard to change from civilian clothing into uniform.

George Hoskins, a witness, who is captain of the company's guards, changed into a summer uniform in four minutes, 23 seconds, and into a winter uniform in four minutes and five seconds, while a Bailiff timed him with a stopwatch.

This was matched against the claim of 95 guards, members of the CIO Electrical Workers, who said the change required from 10 to 14 minutes, in their demand for \$121,128 portal pay.

COMMISSION PROPOSED STATE COLLEGE, Pa., Feb. 25.—

A college-community commission charged with the study of over-all expansion problems has been proposed by President Ralph Dorn Hartzel, of the Pennsylvania State college, who sees housing as one of the most acute problems confronting State college.

IDENTIFIES ATTACKER

NEW ORK, Feb. 25.—(INS)—Biruta Romoska, ash-blond singer and Broadway actress today identified, police said, Billie Thompson, as the negro who attacked and robbed her last Thursday night.

Police said the actress made a positive identification of Thompson who they said had escaped from a Florida chain gang.

What was probably the world's first tourist camp was built on the outskirts of Douglas, Ariz., in 1913. An enterprising citizen built six board shacks containing bunks and cook stove. The number of tourist courts now exceeds 20,000.

Hundreds Listen To Stirring Appeal By Dr. Robert J. Wells

Large Chorus Choir And Smitty Girls Quintet In Special Program Please Audience

Few vacant seats existed in the First Methodist church Monday evening in the first week night service of the city-wide revival campaign which is being sponsored by the Christian Business Men's committee and 18 cooperating churches.

Dr. Robert J. Wells, evangelist of Wheaton, Ill., in a very straightforward manner, told his audience why some church members will light Hell's fires. He pointed out numerous conditions that existed in the lives of present day Christians that prevent them from progressing in the church. The lack of prayer was one of the important inconsistencies pointed out.

Prior to the address of the evening, Forrest Schickel of Peoria, Ill., led the audience in an old time revival song fest. The musical program was interspersed with numerous selections by the talented Smitty Girls quintet of Minneapolis. The large chorus choir directed by the visiting song leader was heard in an effective number.

Tonight at 7:30, Dr. Wells has chosen as his topic "Christian Monstrosities", an address that will be directed to the church members present in the audience. A well-balanced musical program will be presented during the evening. At 7 o'clock the revival prayer meeting is held in the Sunday school room.

The campaign, which is of two weeks duration, will continue through this week and next, coming to a close on Sunday evening, March 9. Throughout the two weeks period, special delegations from outlying districts will be coming in to attend the services.

Formal Charges Filed Against Col. E. J. Murray

YOKOHAMA, Feb. 25.—(INS)—Formal army charges were filed today against Col. Edward J. Murray, former custodian of the Bank of Japan, who was arrested in San Francisco several weeks ago for smuggling \$250,000 worth of diamonds and other gems into the United States.

Gen. Robert L. Eichelberger, commander of the U. S. Eighth Army, said Murray was charged with misappropriation of property, conduct unbecoming an officer and a gentleman, and conduct of a nature bringing discredit upon the military service.

Eichelberger's announcement said the charges were made after a probe by the inspector general. It added that "in the event of a trial, it is expected the court martial will convene in Yokohama."

Tuition Fees To Increase At Tech

PITTSBURGH, Feb. 25.—(INS)—The Carnegie Institute of Technology today in Pittsburgh announced that tuition fees will be increased effective the fall term.

The increase was recommended by a special committee and approved by the executive board. It was announced. A 22 per cent increase was approved for the college of engineering and science and a five per cent raise for the Margaret Morrison Carnegie college. Fees for the college of fine arts were unchanged.

Tuition in the college of engineering and science will be \$550 instead of \$450 per year. It will be \$450 per year in the Margaret Morrison school.

TAX LEVY IS RAISED

GROVE CITY, Pa., Feb. 25.—Grove City council has formally adopted a 14-mill tax levy, an increase of three mills over 1946.

Two and one-half mills have been added to the debt service to finance improvements to the municipal electric plant.

Wife Of Pilot Hero In Rescue Not Worried

WEST SPRINGFIELD, Mass., Feb. 25.—(INS)—Margaret Cavnar, petite brunette wife of First Lieut. Bobbie Joe Cavnar, pilot hero of the rescue of 11 men from the Greenland ice cap said today she "wasn't worried at all" about her husband.

"You get so used to those things that they don't frighten you any more," Mrs. Cavnar said in her apartment.

She said Bobbie had been flying over the Arctic routes for months and knew how to handle any situation. Both Lieutenant Cavnar and Mrs. Cavnar are 22-year-olds.

The Cavnars met in Ponca City, Okla., where Mrs. Cavnar was a nurse. They have two children, Jimmie Joe, 3-years-old, and Rebecca Ann, six months.

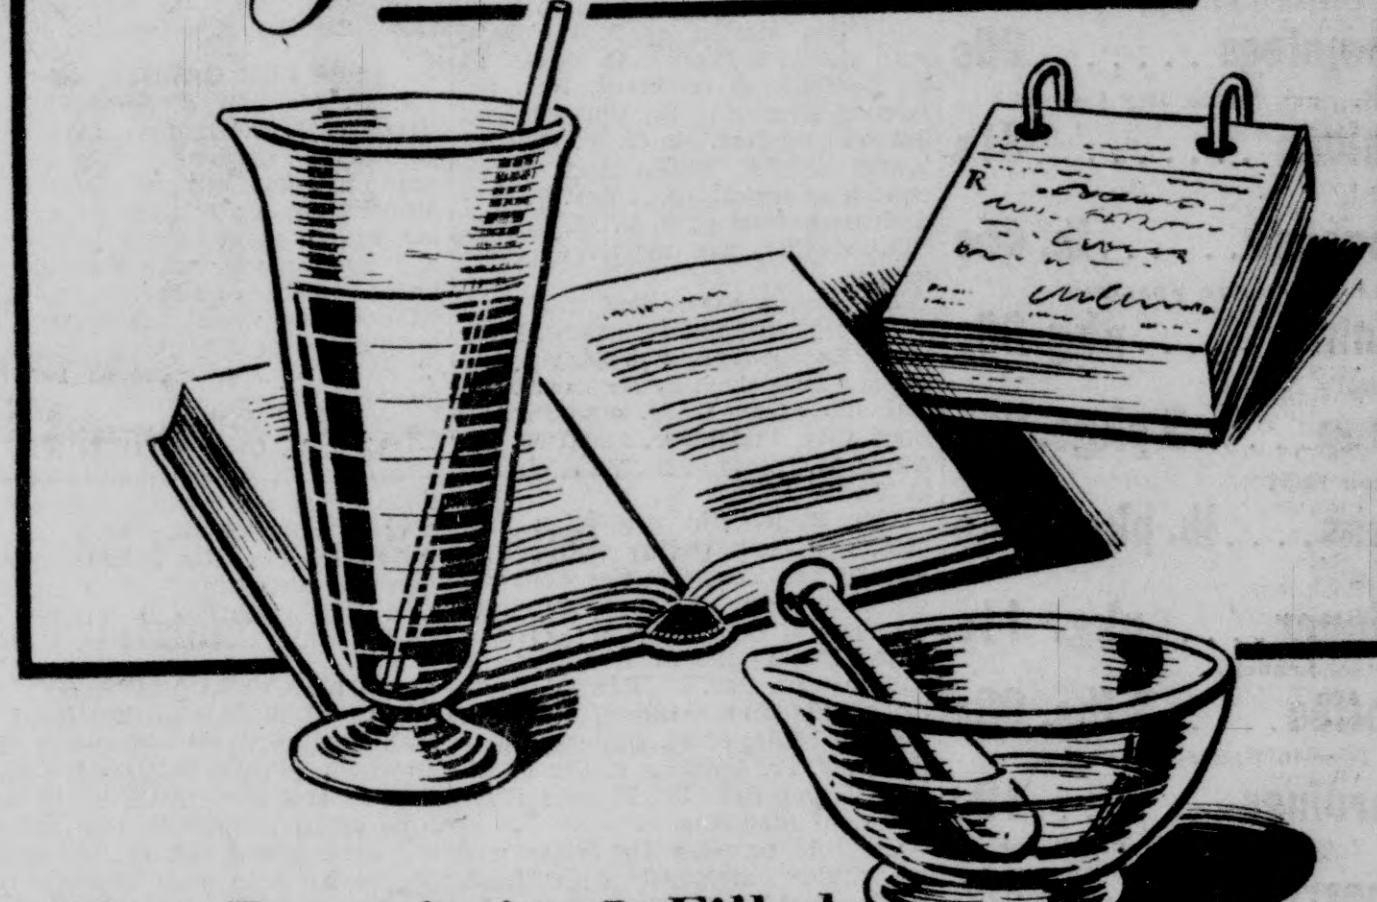

Two Smoke Scares Reported In Night

City firemen were called to the Long avenue district twice, at early hours of the morning for smoke scares.

At 1:30 o'clock Officer Houston found smoke in a vacant house owned by Andy Pzeny, 19 West Long avenue, and found that a drunk had crawled into the house and put some rubbish in the stove and lit it. There was no smoke pipe on the stove. The drunk was placed under arrest. No damage resulted.

Smoke was discovered in the restaurant of William Johns, 22 East Long avenue, at 2:30 o'clock and firemen were summoned by an alarm from Box 83. It was found the damper on a coal stove had been closed too tightly causing smoke to fill the place.

Seventh Ward Forty Hours At St. Lucy's Close

Impressive Closing Ceremonies Conducted With Large Crowd In Attendance

Solemn closing of 40 hours devotion at St. Lucy's church was held Sunday evening with a capacity crowd of 400 in attendance. Services started at 7:30 o'clock with Rev. Fr. Francis C. Streiff of St. Joseph's as celebrant, Rev. Fr. Edward Korman of St. Margaret's as deacon and Rev. Fr. V. V. Stanciewicz of St. Philip and James church as sub-deacon. Rev. Fr. Joseph Pernatowski of B. V. M. church, Ellwood City, was master of ceremonies. The rosary was recited with Rev. Fr. Sebastian Ippolito, pastor, leading. Excellent and inspiring addresses were given by Rev. Fr. V. V. Callahan of B. V. M. church, Ellwood City, in Italian, and Rev. Fr. Albert M. Inteso of St. Vitus church in English. The Eucharistic procession was held, and participating were members of the Young Ladies Sodality, the altar boys of the church and members of the clergy. Assisting in the sanctuary of the church were Rev. Fr. Edward Pikuil of Madonna church, Rev. Fr. Elias G. Nader of St. John the Baptist, Rev. Fr. Ignatius Koller of St. Mary's and Rev. Fr. Francis Kuczyński of Madonna. On this occasion the altar was beautifully arranged with fresh flowers and ferns. Throughout the days since the opening on Friday morning, adoration of the Blessed Sacrament was held, and many devotees entered the church to offer prayers.

G. I. A. TO B. L. E. TO HAVE INITIATION

Thursday afternoon, at 1:30, there will be a regular meeting of the Grand International Auxiliary to the Brotherhood of Locomotive Engineers in the green room of the Y. W. C. A. There will be an initiation of candidates, followed by a social period. Committee of arrangement is Mrs. C. A. Probst, Mrs. Vernon Long, Mrs. Robert Peterson, Mrs. C. G. Anderson.

AUXILIARY WOMEN PLAN ENTERTAINMENT

Officers of the Columbus auxiliary met on Monday evening in the Christopher Columbus hall, with Mrs. Jane Piscitella presiding. It was decided to have an entertainment followed by a dance in the hall on Thursday evening, March 6. It was also discussed regarding the advisability of having a party for members and their friends in the near future.

GAS SUPPLY WEAK

Folks in the were somewhat discomfited during their preparations for supper on Monday evening on account of the small amount of gas for heating. One lady said after hearing there would be a shortage, arranged to have supper at 4:30. Another lady complained to her husband on his getting home about 5 o'clock, that

something had gone wrong again with the pilot lighter on the gas stove, but the reason was, insufficient gas to keep light in the pilot. One called her neighbor that gas in her refrigerator had gone out. Gas water heaters were shut off, safety first. A housewife sat in front of the gas stove, supper time, coaxing the kettle to boil, so she could brew some tea. Supply of gas was better this morning.

BASKETBALL FILMS SHOWN AT SCHOOL

SET FOR GARDENING

J. H. McCann of West Clayton street, B. & O. engineer, says he is all set for gardening this coming year. He has secured a machine, propelled by a 2 1/2 horse power motor, with a plow, harrow, cultivator and lawn mower attachments; all he has to do is guide the machine, "it does the work". John says he is thinking of contriving some sort of snow plow attachment for his machine.

K. J. U. CLASS TONIGHT

Mrs. G. O. Scheidehammer of 407 Fifth street will be hostess this evening to members of the K. J. U. Bible class of the Mahoningtown Presbyterian church at 8 o'clock. Mrs. Victor Huff and Mrs. P. O. Gibson will be co-hostesses.

ROADS VERY SLIPPERY

Eddie McBride, superintendent of Mahoningtown post office, says that reports have come in from the rural carriers and those bringing in milk from outlying districts, that following more snow falling last night, the roads were very slippery this morning.

ENTERTAINMENT COMMITTEE

Mrs. Alice Conti, chairlady of entertainment committee of the Columbus auxiliary, desires those who are attached to the entertainment committee to report at Columbus hall on Thursday evening at 7 o'clock.

Sees Large Saving In Armed Service Merger

WASHINGTON, Feb. 25.—(INS)—Sen. Cain (R) Wash., told the Senate Monday a six billion dollar budget cut can be carried out without injuring national security if the Army and Navy are merged and extra flight pay is eliminated in the armed services.

Cain joined Sen. Ferguson (R) Mich., in advocating the House-approved budget slash as against a four and one-half billion dollar cut favored by other Republicans.

Ferguson, in a lengthy Senate speech, broke with his Michigan colleague and GOP foreign policy leader, Sen. Vandenberg, on the issue of possible damage to the Army and Navy.

He said that Army-Navy statements opposing the larger cut were "in bad taste and improper". Vandenberg last week pleaded with the Senate to listen to its military leaders.

Objects to Logic
Cain, a World War II veteran, voiced a "positive objection to the logic" that a six billion dollar cut is "a vote in support of a turn back to isolationism and a threat to our national security." He said: "Those who dissent the more

vehemently and at greatest length haven't even admitted or recognized possible large-scale savings which could come from eliminating duplicating supply lines, facilities and services. If the services are to be integrated isn't it about time that this very considerable task was undertaken?"

On the matter of the 50 percent extra pay Army and Navy officers receive for flying time, Cain said: "Would Save Large Sum"

"My own feeling is that flight pay, like many another practice, has outworn its usefulness and ought to be done away with. Not only would dollars in surprising numbers be saved but to eliminate flight pay would be to recognize that special privilege is not more required in the Navy than in any other work in life."

He said that the merger and flight pay are but "two examples" for Senators who favor the six billion cut and are looking for reductions which won't curtail service.

Senate leaders were doubtful that a vote would be reached today on the Millikin amendment to hold the budget slash to four and one-half billion dollars.

India Decision Views Of George Bernard Shaw

By CHARLES A. SMITH (U. S. Staff Correspondent)

(Copyright by International News Service)
AYOT ST. LAWRENCE, Hertfordshire, Eng., Feb. 25.—Changes of the Indian situation being resolved by 1948—or even 2048—are slim and a civil war or two may be needed to establish harmony of opinion among the Indian people.

This at least is the opinion of George Bernard Shaw.

In the course of an exclusive interview at his snowbound home near the village of Ayot St. Lawrence, the 90-year-old playwright said he saw an analogy between India and Ireland. He added that Britain's decision to evacuate represented the best solution "in the absence of anything better."

Shaw ridiculed suggestions that the Russians might walk in when the British walk out.

Shaw said: "No decision concerning India in the present situation can be described as possible, nor can it be guaranteed as implementable in June 1948 or in June 2048."

"But since no one has been able to suggest anything better, the British seem to have done their best."

May Be Civil War

"But whether the British decision to evacuate will result in getting the Indian groups to work together for the country's good is another matter. Perhaps it will after a civil war or two as in Ireland."

Accused Jap Is Brought To U.S. For Sanity Test

TOKYO, Feb. 25.—(INS)—Dr. Shumei Okawa, accused Japanese war criminal, was removed to the United States army hospital in Tokyo today for a new sanity examination by Capt. William F. Finzer, of Cleveland, O., and a Japanese psychologist.

Okawa, held in custody by the Japanese government, has been under guard at a hospital. He is one of the accused architects of the "Manchurian incident."

During the arraignment of war crimes charges he slapped Gen. Hideki Tojo's bald head and attempted to make a speech.

Ball Diamond Not To Be Sold

County Commissioners Will Not Sell Lots in Sixth Ward Used By Ball Players

OTHER NEWS OF COURT HOUSE

Sixth ward kids won't lose their baseball diamond. On Monday morning the commissioners decided they wouldn't sell six lots on Lee avenue which take up a part of the diamond and a lot of right field on the ball field.

The commissioners recently received an offer of \$25 per lot for the six lots and advertised the offer. Immediately the youngsters of the sixth ward began protesting and on Monday Commissioner Joseph F. Travers said he was against selling the lots as long as it meant destroying the ball field.

the sixth ward," said he. "It's been used for years and I'm against selling it for a few dollars." The other commissioners, Earl R. Wimer and Karl T. Rohrer, agreed with him and the sale will not be made.

Nationally Known Artist Is Making Westminster Visit

NEW WILMINGTON, Feb. 25.—Francis Speight of Doylestown, Pa., nationally known artist, is spending three days at Westminster college. His services were secured by Harold Brennan, head of the art department.

Mr. Speight has taught at the Pennsylvania Academy of Fine Arts at Philadelphia since 1925. He was one of a group of teachers from universities and professional schools who went to Europe last June to teach in the universities set up for members of the U. S. Army.

Most of Mr. Speight's painting has been done in the industrial suburbs of Philadelphia. His wife, Sarah Blakeslee Speight, is also an artist of note.

While on campus, Mr. Speight will hold individual conferences with art majors and will offer his criticism of their work.

Debate Group At Westminster To Meet Youngstown

NEW WILMINGTON, Feb. 25.—Enthusiasm by their showing at Mt. Mercy college, Pittsburgh, over the week-end when they won three matches and lost five against top-notch opposition, the Westminster college debate group has announced plans to meet Youngstown college, away, March 4.

Coach Melvin Moorehouse of the debate team, has also announced that the men's team will be taken

to Shippensburg for a state-wide tournament March 7.

Participating in the tournament at Mt. Mercy were Mary Ann Rehm, Dormont and Elizabeth Cummings, New York, affirmative; Elizabeth Withrow, New Wilmington, and Patricia Hadley, Sharon, negative.

"Should Labor have a direct share in the management of industry" will continue to be the subject for debate.

RETIRED BARBER CHARGED \$2,500 FOR LONG VISIT

PHILADELPHIA, Feb. 25.—(INS)—George C. Swanfield, 90-year-old retired barber, was billed for \$2,500 today for the two-week vacation in the tropics which he stretched into a 13-year stay.

That was the verdict of a Philadelphia jury which held the amount as a fair bill to be paid Miss Lulu Sauder, his foster-daughter.

Miss Sauder, who resides in Philadelphia, had sued for \$6500, contending he owed that much for his stay at her home on the Isle of Pines near Cuba. She based the sum on \$12 weekly for board and lodging and other services.

She charged he came to her island home in 1931, ostensibly for a two-week stay after his wife died. Swanfield, however, asserted he paid her home regularly, had purchased a home jointly titled in his and Miss Sauder's name and bought her a car.

Ellwood Legion Noses Vets Team

Ellwood City Legion nosed out a fast New Wilmington Vets team on the Shelby floor last evening by a score of 55-52, coming from behind in the last 50 seconds.

Fred Mancine, lanky Ellwood City center, was the star of the game, annexing 31 points. With New Kensington leading 55-52, Mancine broke through and stole the ball twice, scoring both times to put the games on ice.

Next week, the Legion team will play the strong Irwin, Pa., American Legion team.

Ronzi Defeats Bob Blending

Substitutes For Santillo Who Has Broken Rib; Gillespie Beats Wooten

Rizieri Ronzi of Youngstown last night outpointed Bob Blending of Pittsburgh in three fast rounds before a fair sized crowd in The Arena. Ronzi substituted for Cosmo Santillo who, when examined, was found to have a fractured rib. The Jefferson A. C. staged the fights.

Blending captured the first round but the Youngstown boxer took the play away from the Pittsburgher in the second and earned the round. He also won the third.

The judges split and the referee's decision gave the fight to Ronzi, who made his first appearance in The Arena ring.

Lou Scott of Youngstown decided King Thompson of Youngstown at 126 pounds in the opening bout, and after a good fight Dick Morris of Akron got the decision over Chinese Boo Yee of Youngstown at 120.

Delaney Stops Royale
Ronald Delaney, GG champion of Akron, scored a technical knockout over Van Royale, GG champion of Youngstown, in the second round, and Johnny Boletti of Akron, who made his first appearance in Youngstown in three chapters.

Jim Gillespie of Akron and Frankie Wooten of Youngstown fought a good three-round middleweight bout. There was action every minute and at the end the decision was given to Gillespie.

Eddie O'Hara of Youngstown and Bobby Mason of Warren fought three tough rounds at 140. O'Hara suffered a cut on the face but it wasn't severe enough to stop the fight. Mason received the decision.

Carl Rouse, GG champion of Youngstown and Vic Kondik of Akron, welterweights, fought three fast rounds but at the end of the bout the decision was given to Rouse.

Wampum Adds Bleacher Seats At Big Expense

Wampum School Board Gets Delivery On New Roll-away Bleachers Seating 300-350 Fans

(Special To The News)
WAMPUM, Feb. 25.—Wampum high school basketball court will have new roll-away bleachers available for the crowd expected at the Wampum-New Wilmington game tonight in Section 21, the final of the year.

The Wampum school board has secured delivery of the new roll-away type bleachers for the stage, seating between 300 to 350 fans at an expenditure of over \$2,000.

The new bleachers have been on order for some time, and only arrived recently from Philadelphia. The Wampum board had hoped to have the new seats earlier in the season to handle the large crowds. The new bleachers will give Wampum a seating capacity at the games of over 800 fans, making them the largest among the county schools, with a magnificent field house.

Five Final Final Game
The new seats will be 10 rows high and can be rolled away, allowing use of the stage for other matters. Wampum expects to make good use of the new seats next season. Wampum has only been able to seat about 500 up till now.

Incidentally, Coach L. Butler Hennen will start his five seniors in the New Wilmington game tonight, Jackson, Badger, Kanagy, Procopio and Grinnon. Wampum next year will have Mohr, McMillin, Amatorio and Miller left from the 1946-47 team. Wampum has won the sectional championship again this year, the game tonight having no bearing on the outcome of the race, but will draw a large crowd nonetheless, as it is New Wilmington, the rivals.

Ecclesian Club Wins In Tourney At Cortland, O.

Defeat Vienna Grills, 63 To 40, With Plenty To Spare In First Round Game

Rebounding from their defeat by the Polish Falcons Sunday the Ecclesian club basketball team went to Cortland, O., last night for the opening round in the tourney and trounced the favored Vienna Grills 63 to 40.

The game was nip and tuck the first half with the locals on top, 25 to 22. In the final two periods the Ecclesians, led by Clazza, Ross and Nickle Gennock piled in 38 points, hitting their true stride. The outstanding scorer in the game was Gombos of Vienna with 26 points.

The Ecclesians now enter the second round and will return to the Cortland tourney March 4 to battle the strong Greenville Elks, it was announced by Vinnie Gallagher.

Phillies Start Training Grind

CLEARWATER, Fla., Feb. 25.—(INS)—The Philadelphia Phillies set up camp at Clearwater Monday with a vanguard of 19 players answering Manager Ben Chapman's early morning call to the spring training grind.

Thirteen of the Blue Jays are pitchers, which should provide plenty of work for backstops Andy Seminick and Rollie Hemley. There's also another hurler, but hasn't yet signed his 1947 contract, and General Herb Pennock won't permit any holdouts in camp.

BO

HERE AND THERE IN SPORTS' LAND

JACK DEMPSEY said at Cleveland recently that, "if I were Joe Louis I'd quit right now. He's fought 'em all and there's nobody around I can see who can lick him. If he doesn't quit, he'll get his some day. They all do. But right now, there's nobody who can beat him." He was asked about Bruce Woodcock, British Empire champion, "Too little," Jack replied, "Joe Walcott" he was asked, "Too old."

was the answer. "Mello Bettina?" At this Dempsey began to laugh. "Bettina? If you mention him, I'd have to get in the ring myself. While Bettina is a great friend of mine, he just couldn't take Louis." Dempsey hasn't seen Jimmy Bivins, Violent Elmer Ray and Joey Maxim in action. "You've got to have a fellow go in there and slug it out with Louis. He's got to be able to take it. Conn was over-trained. He didn't have any fight to get him in shape. I think if Louis would have known Conn was over-trained, he'd have belted him out of there in the first round." Dempsey said unburdened himself concerning present day fighters. "The fighters of today are of the school: 'You grab and I'll grab you'. The training isn't the same. In the old days the fighter used to train because he loved it. Today, it's merely a matter of money. It used to take 10 to 12 years to make a champ; today a fighter wants to be a champion overnight. A fellow's got to be hungry to be a good fighter," the ex-champ cracked.

County Champions Will Go To Butler County Wednesday Evening For Title Game

PLAY RETURN
GAME THURSDAY
Perry S. Gaston Post's county champions will start the playoffs for the state title on Wednesday evening, when they go to Mars to meet the winners of the Butler county league in the first of a three-game series.

This game will be played on the Mars high school floor and the team will leave the Legion Home at 6:30 o'clock. It is expected that a number of the post members will accompany the team to cheer on their favorites.

The second game in the series will be played here on Thursday evening in all probability on the George Washington floor, and if a third game is necessary, it will be decided later where this game will be played. The winner of this series will play the champions of the Beaver county league next week.

East Brook Five Defeats Saints

East Brook Boosters basketball team defeated the St. Marys "Big Five" at the Catholic Center floor last night, 46 to 33, with Clark and Morrow in starring roles. Wednesday the Boosters will play the Bessemer Stars at Bessemer.

Fifteen Quints In Tourney Fold

Only One Opening Remains For City-County Junior Cage Tourney At 'Y'

Jimmy Dart, tournament manager for the impending junior city-county games at the Y. M. C. A., announced today that 15 teams have already enrolled for competition, with one opening remaining.

The teams, in the age bracket of 14 to 17 years, boast the cream of high school talent in the county and some fast, interesting clashes are expected when the first round opens March 14. The opening night has been advanced to make sure the junior tilts are run off before the senior tourneys get under way at the George Washington high floor.

The first round will see four games being played. All the contests will be staged at the "Y" floor.

Umpires Will Meet Friday

An important meeting of the Lawrence county umpires will be held at the "Y" at 8 o'clock Friday night, it was announced by President Dallas F. Hartman. All men wish to umpire this year are asked to attend. With the prospect of enlarged leagues this year, more arbiters will be needed, Hartman stated.

Tube City Five Opposes Locals Here In Finale

Rea, Watters, Marcotuli, Tate, Pears To Play Last Game For Bill Douglass

DOUGLASS QUINT GUNNING FOR WIN

Coach Bill Douglass' New Castle cagers come to the end of a tough Section II campaign tonight when they entertain their county rivals, the Ellwood City Wolverines at the George Washington high floor.

Both squads have found the season disappointing as far as victories go, but their clash makes records secondary in importance to the tradition and heated rivalry attached to the series.

The locals turned the trick at the Tube City to the tune of 45-43 and are anxious to make a sweep over their rivals to clinch fifth place in the loop. An Ellwood victory would send the two teams into a tie for the sixth place position.

"Wolves" Dangerous
Ellwood seems to keep the script in their big games, but disregards the odds in others. In league competition they own but two wins, both over the last-place Beaver Falls quint, but have given the upper bracket teams of the circuit some anxious moments during the season.

New Castle has won three tilts, Ambridge, Beaver Falls and Ellwood being their victims, while bowing eight times. Their season record stands at 11 victories against 10 losses, winning eight out of 10 exhibition games and lending proof to the rugged opposition in Section III.

Douglass will lose five leads who saw action this campaign. They are "Chuck" Rea, first-string center, Don Watters, varsity guard, Al Marcotuli, Jim Pears and Al Tate. Rea and Watters will be sorely missed next season, the former holding down the pivot post in every encounter while Watters proved himself a valuable asset to the team with his fine ball-moving ability and accurate shooting. Marcotuli started some of the games and proved himself a valuable cog, Pears and Tate joined the squad late in the season, the latter never having played the pass and dribble sport before.

Ellwood Loses Four
For the Wolverines, Bill Eady, colored forward, Ben Calderone, Eddie O'Hara and Bill Greene will be in livery for the last time.

Due to the fact that the officials for tonight's game are coming from Pittsburgh by train and must leave immediately following the contest, the varsity game will start as near 8 p. m. as possible.

There will be a prelin between the junior varsities of both schools.

HOUSE LEAGUE GAMES

Two House league games will be played at the "Y" tonight as follows: Ramblers vs. Keystone at 6:30; Miltons vs. "Y" Seniors at 7:30.

Rotary Hears History Monday

Attorney Joe McFate Reviews Founding And Accomplishments Of Club

GROWTH CONTINUES THROUGHOUT WORLD

New Castle Rotary club members on the occasion of the 42nd anniversary of the founding of the order heard a fine talk by Attorney Joe McFate, a member of the local club, at their noon luncheon meeting in The Castleton, Monday.

Because of the fact that the word "Rotary" is a dictionary word, it has been difficult to have the word copyrighted, but the U. S. Patent office has refused to allow commercialization of the word, and has refused to permit firms to use it as a trade mark because of the significance that Rotary International has attached to the word, Mr. McFate pointed out.

Rotary has no official slogan although the slogan projected by one of its early members, "He profits most who serveth best," and "Service above self," are widely used by the speaker.

Formed in 1905

The brainchild of one man, Paul P. Harris, who in 1905 felt the need for friendship in his travels about the country, which led to his proposing an organization made up of men who were owners, partners, or officers of some business, and preferably, were from different kinds of businesses. He projected the idea on February 23 1905 in his home city of Chicago. The club was formed, met in the places of business of the members until it out-

grew such quarters. In 1908 a friend of Mr. Harris from San Francisco carried the idea there and thus was formed the second club, Oakland was next in line then Seattle, then Los Angeles, and gradually the idea spread from coast to coast.

The New Castle club, organized in 1913 through the interest of the late Scott Paisley and Attorney George W. Muse, became the 89th club in the United States.

Today, Attorney McFate stated, there are 6,000 clubs with a membership of 300,000 persons. There were 130 clubs organized in the last six months, many of them from various countries throughout the world.

Rotary stresses service, namely service to one's club, to one's vocation, to the community, and service of an international scope, he stated in conclusion, outlining what this service can consist of.

Rotary, he stated in conclusion, has become a dynamic force for good throughout the world, and one which every member can be proud of belonging to.

MAY EMPLOY DDT TO RID ARMS OF CORN-BORER MENACE

COLUMBUS, O., Feb. 25.—(INS)—"DDT may be the answer to the farmer's long-time search for a practical and effective means of curbing corn borer damage," says Farm Bureau Horticulturist V. H. Davis.

Davis cites experiments where DDT treatment on heavily infested sweet corn fields reduced borer population to as low as six percent. He points out untreated strips in the same fields were infested up to 80 per cent.

Davis foresees the airplane as an effective medium for applying DDT dust. The cost to the farmer is estimated at \$4 per acre by this method.

Julia Johns Signs With Music League

Mezzo-Soprano, Former Ne-Ca-Hi Student, Embarks On Concert Career

Miss Julia Johns, concert mezzo-soprano, has been chosen from among young, proven artists of today by the National Music League of New York City as the possessor of a rare voice and a great natural talent, and is now under exclusive management.

Born here in New Castle, one of a large musical family of diversified interests, Julia Johns' earliest ambition was to become a doctor, and chose her courses at New Castle high school accordingly.

But at the age of 16 her goal changed when she was selected as alto soloist for the high school's cappella choir, and was subsequently chosen to appear in the Erie state music finals.

Wins Scholarships

This was followed by two scholarships, won simultaneously to both Muskingum and Oberlin colleges. After deciding on Muskingum, she attended only one year before winning another scholarship, this time to the Curtis Institute of Music in Philadelphia. There she was chosen by Mme. Elisabeth Schumann to be one of a limited number of her pupils and Julia has been associated with her ever since.

Appears As Soloist

At Curtis she acquired her bachelor's degree in music, and in 1945 appeared as soloist with their symphony orchestra singing selections from "Carmen."

She has sung here on several occasions as guest soloist during her period of study at Curtis.

With a thorough training in her chosen profession, Julia is well on her way to a brilliant musical career.

Tells President 'Iron Curtain' Is Actually Fact

WASHINGTON, Feb. 25.—(INS)—Lt. Gen. John Hodge, American commander in Korea, said Monday after a White House conference with President Truman that there is an "iron curtain" between the Russian and American zones of occupation in Korea.

Hodge, returning to this country for the first time in five years, gave the President what he described as an "over-all view of the whole Korean situation."

Questioned afterward, Gen. Hodge said: "There is an iron curtain between the southern and northern zone. It still exists."

The Russians occupy the northern zone, and the Americans the southern zone.

Gen. Hodge was accompanied to the White House by Secretary of War Patterson.

New Mother Is Unaware Husband Apparent Suicide

PHILADELPHIA, Feb. 25.—(INS)—Mrs. Evelyn Powers was preparing to leave Doctors hospital in Philadelphia today where she gave birth to her third baby, unaware that she will enter a house of death when she reaches home.

She was wondering this morning why her husband Edward a 32-year-old mechanic didn't come to get her and the new baby yesterday as planned. No one had told her that he was found asphyxiated last night in their Upper Darby home.

When he didn't go to the hospital last night, Mrs. Powers telephoned her brother-in-law, David Powers, who went to the home to find her husband lying on two chairs in the kitchen, with his head in the oven range.

There was no note of explanation. Relatives are caring for the other two children.

Invents Tombstone Of Galvanized Iron

ERIE, Pa., Feb. 25.—(INS)—Instructor H. E. Andersen, of Erie Technical High school, won't be able to take his latest invention with him—but he can do the next best thing. He'll probably have it on his grave.

Andersen for 26 years a sheet metal instructor at the high school, has invented a galvanized iron tombstone.

The 63-year-old instructor kills three birds with one "stone"—so to speak.

He sees his invention take shape in the classroom in the hands of his students who thereby gain practical experience in metal-working. And, the tombstone is sold for cost—thus saving the school district money previously spent on materials.

The tombstone is shaped like the usual granite memorial and is coated with a rust preventive and six coats of paint. A final coat of silica sand gives it the appearance of real stone.

New Oat Menace Puzzles Experts

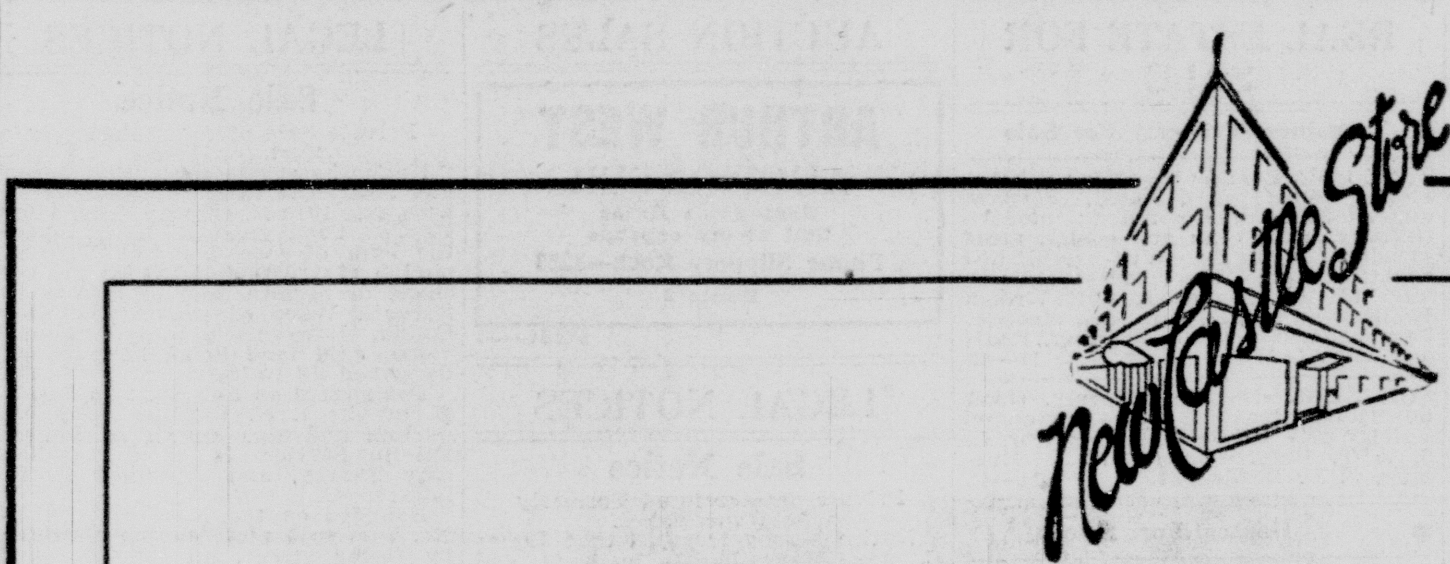

COLUMBUS, O., Feb. 25.—(INS)—A new disease that attacked Ohio oats fields last year has Ohio State university experts worried.

Extension Plant Pathologist T. H. King says the disease, called Victoria blight, was so bad in 1946 that some oats crops were a complete loss.

King is afraid a statewide epidemic will occur this summer unless all seeds oats are treated with fungicide.

The pathologist explained that the blight attacks seedling plants, killing or injuring them so badly they produce little grain.

Marsh gas, in medieval times was thought to be an evil spirit seeking to lead travelers astray.

250 YEARS OF SERVICE To The New Castle Store And This Community Pass In Review Tonight

Tonight 10 New Castle Store Employees will cap another day's work with a dinner in a local tearoom, to look back over their 250 years of accumulated service to The New Castle Store and Community; to toast and be toasted as the chartered members of the New Castle Store's "Twenty-Fiver" Club.

This New Castle Store tradition of toasting and honoring the friendships and achievements of those who have been with us for 25 years or more, grew out of our pride in the long-term loyalty of our co-workers. But our proud feelings tonight will be no stronger than our every-day-of-the-year realization, that the loyalty of our employees is our store's strongest asset contributing greatly in this store's success throughout the years. That's why we say "Thanks" to the 10 members of our "Twenty-Fiver" Club.

To you—we offer our Congratulations, Good Luck and Thank You.
